SPOTLIGHT ON THE STUDENTS

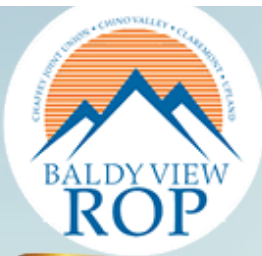

CHAFFEY JOINT

Etiwanda High School Senior Madison Tracy is enrolled in the Criminal Justice course. The Criminal Justice course outlines the forensics process of a criminal investigation and various ways to pursue a career in law enforcement. Madison shared "I originally signed up because my friend was in the course, but it was more interactive, and fun than I expected, overall a great experience!" When considering ROP courses, Madison reminded students, "It may be a long course but the time spent here is worth it." Instructor, Mr. Sabolchic indicated "Maddy is one of my best students that brings knowledge, insight, and personality. She makes the class great." Thank you to Instructor, Mr. Sabolchic, for sharing this story!

SPOTLIGHT ON THE STUDENTS

CHINO VALLEY

**Scan to see
a video of
the course!**

Katrina Cancio is a Chino Hills High School Senior who has been a part of the engineering program for the past 4 years. The Engineering program is an engineering research course in which students work in teams to design and develop an original solution to a well-defined and justified open-ended problem by applying an engineering design process. Instructor, Mr. Collins was able to coordinate with an engineering firm Civiltech Engineering and offer Katrina a job shadowing opportunity. Katrina has now also joined the ACE mentorship program and will have an opportunity to meet additional mentors in the Architecture, Construction, and Engineering fields to enhance her awareness and professional network. Thank you to Mr. Collins, for sharing this story!

SPOTLIGHT ON THE STUDENTS

CLAREMONT

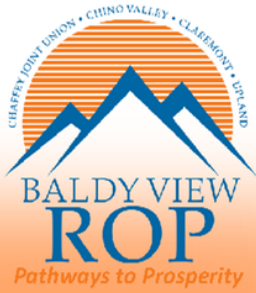

**Scan to see a
video of the
course!**

Jacob Tatenco is a Claremont High School Senior who completed the Games & Simulations course. Games and Simulations Design provides students with a solid foundational understanding of game design, hardware, graphics, and animation. Students learn game/simulation conceptualization, design, storyboarding, development methodologies, essential programming techniques, working with a team, and program troubleshooting. When Jacob joined the course, he was looking forward to seeing how the video games he plays are made! As a Baldy View ROP student, Jacob has learned that learning about different topics and meeting new people is crucial and good for future reference. After high school, Jacob plans on attending college and going into business. Thank you, Mr. Gilson, for sharing this story!

SPOTLIGHT ON THE STUDENTS

UPLAND

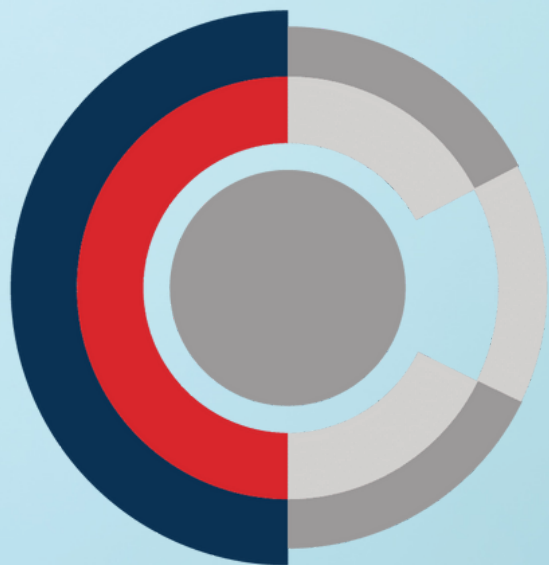

Alice Peng is an Upland High School Senior who is currently enrolled in the Medical Assisting Foundations program. The course is designed to provide students with fundamental didactic, lab, and clinical medical experience. In this class, she has learned time management, patient interaction skills, and responsibility. Alice stated, "I chose this class to develop my occupational skills and expected a regular class but, it was much more beneficial and hands-on." She chose this class to set the foundation for her career development and to make her a stronger candidate when applying to a job. Alice aspires to work in the pediatrics department in the future. Thank you to Instructor, Mrs. Garcia, for sharing this story!
