# SPOTLIGHT ON THE STUDENTS

# CHAFFEY JOINT

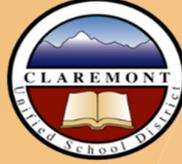

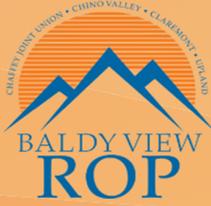

Rancho Cucamonga High School Senior Thomas Basaluos is enrolled in the Registered Dental Assistant course. This year-long program teaches students how to assist patients in dental care, identify dental instruments, and medical terminology paired with hands-on labs. Thomas shared "It is a great opportunity to learn firsthand from professionals that have been in the field, and get an in-depth education in the dental field. Thomas registered for the RDA course to obtain his dental certification and learn about the dental field. When considering ROP courses, Thomas reminded students that it is important to get hands-on experience with experts and try new things! Thank you, Mrs. Gallegos, for sharing this story!

Cali Vizcarra is a Chino Hills High School Senior who is enrolled in the Criminal Justice course. The Criminal Justice course outlines the forensics process of a criminal investigation and various ways to pursue a career in law enforcement. Cali shared "This class provides the foundation and skills necessary to start a successful career in my chosen profession." Mr. Youngblood indicated, "In a short amount of time, Cali has exhibited great support for her classmates, along with showing tremendous dedication to obtaining and demonstrating the skills necessary to be successful in her career. I feel quite confident that she will continue to be an asset in our class and her chosen profession as well." Thank you, Mr. Youngblood, for sharing this story!

# SPOTLIGHT ON THE STUDENTS

# UPLAND

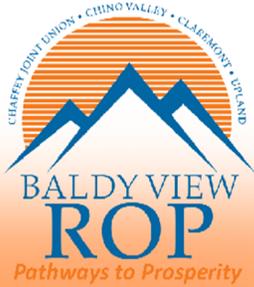

Gabriella Wenas is an Upland High School Senior who is currently enrolled in the Medical Assisting Foundation program. The course is designed to provide students with fundamental didactic, lab, and clinical medical experience. Gabriella was ecstatic to gain hands-on experience and further her knowledge about the field of medicine. She shared, "This course involves active participation, interactive learning of the medical field and provides preparation for students as they head into more advanced programs in the future." Gabriella stated "With this course, it has allowed me to explore more about the medical field in which I dream to play a prominent role in the near future. It plays a crucial aspect in my high school experience as I am able to engage in activities that enlighten me." Gabriella aspires to become a pediatrician or nurse practitioner. course!**

Ometeo Villafana is a San Antonio High School Senior who completed the Games & Simulations course. Games and Simulations Design provides students with a solid foundational understanding of game design, hardware, graphics, and animation. Students learn game/simulation conceptualization, design, story boarding, development methodologies, essential programming techniques, working with a team and program troubleshooting. Ometeo was interested in the development and function of video games. He states, "My passion to understand the background of video game developers and their thought process behind their creation is what led me to take this course." Ometeo was excited about learning how to use the C++ program. Instructor, Mr. Gilson adds, "Ometeo expresses great interest in computer programming & game development through his participation in class. Ometeo is very curious and eager to take in as much knowledge as he can in this course and always demonstrates his understanding of the content." Ometeo intends to pursue a career in video gaming and programming. Thank you, Mr. Gilson, for sharing this story!

# Charitable Giving Event at Chino Hills High School

September is Childhood Cancer Awareness Month! To honor the month, our Chino Hills High School criminal justice students created gift boxes and bags to provide to children currently battling cancer! The Charitable Giving, Kindness, and Understanding lesson plan is a part of the criminal justice curriculum teaching our students about charities and how they can add to one's life. Instructor Mr. John Youngblood shares, "Working in the Criminal Justice profession is all about serving and treating people how you want to be treated. What better way to serve than to contribute to children who are battling cancer during September, which is "Childhood Cancer Awareness Month." Thank you, Mr. Youngblood, students, Chino Valley Police Department and the San Bernardino County Sheriff's Department for your dedication!

# OCTOBER PROFESSIONAL DEVELOPMENT

On Saturday, October 16th, Baldy View ROP instructors and staff gathered for the annual Professional Development to engage and discuss social-emotional learning, educator well-being, leading with emotional intelligence, and mindful leadership. The course, titled "More Good Days: Brain-Based Strategies for Trauma Responsive Schools," was facilitated by Dr. Joelle Hood, co-founder/keynote speaker and Colleen Mulhall-Briski both from Thriving University, who shared brain-based strategies to boost staff and student success. Thriving YOUniversity empowers individuals and organizations to thrive through experiential learning workshops, keynotes, online- courses, and transformational success coaching. Dr. Hood provided instructors and staff with tools to become "warm demanders" and a toolkit of research-based strategies, including tips to boost overall belonging, connectivity, engagement, and learning. Instructors may use these tools by incorporating them into lesson plans and increase engagement.

Welcome

## DAVID SUAREZ JR.

Director of Business Services Intern

Baldy View ROP welcomes David Suarez as the new Director of Business Services-Intern. David has an Associates in Engineering, Bachelors in Information Systems, and a Masters of Business Administration. David is looking forward to efficiently maximizing the technology Baldy View ROP has in place. He enjoys working out, watching movies, and sports! David was born and raised in southern California, married with three kids Keoni(23), Aspen(13) and Jessa(4). David is also a retired Air Force who had the honor of serving as a Pallbearer for First Lady Betty Ford and in numerous combat tours while in the military. Welcome, David!

## CURT ERALES

Automotive Technology Instructor

Curt Erales joins Baldy View ROP as an Automotive Technology Instructor with a Master's degree in STEM. After working more than 35 years as a lead auto mechanic with Good Year, and Penske and Ford, he became an auto teacher. He has been teaching for more than 15 years in various districts including Fontana, Rialto, Pomona and San Diego. Curt enjoys vacationing in Belize, spending time with his grand kids and playing tennis. Welcome, Curt!

## JESSE HERNANDEZ

Law Enforcement Occupation Instructor

Baldy View ROP welcomes Jesse Hernandez as the new Law Enforcement Occupations instructor. Jesse attended the Law Enforcement course through Baldy View ROP when he attended Alta Loma High School. Jesse attended Mt. San Antonio College for two years before joining the Ontario Police Department in 2009 as a Police Officer. He was selected to be a part of the Narcotics Division working undercover in narcotic and vice operations. He became the Task Force Officer with the Drug Enforcement Administration, assigned to Major Narcotic Investigations. He is currently part of his department's SWAT team. Jesse shares, "the course motivated me to become a police officer and a better person. I look forward to being a mentor and role model for my students just like my instructors were to me when I was enrolled in the course." Jesse loves lifting weights and spending time with his wife, 5 year-old daughter, and a 2 year-old son. Welcome, Jesse!

## GEORGE LEE

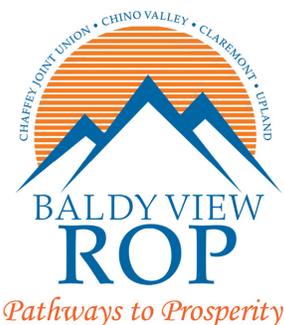

Account Clerk

This month we welcome George Lee as the new Account Clerk. He has previous experience in accounts payable and payables. As the Account Clerk, George will work in payroll as well as accounts payable. His favorite composer is Chopin. In his spare time, he enjoys swimming, watching movies, TV, and spending time with friends. Welcome George!
