Baldy View ROP Celebrates 2020-2021 Student Success Awards Recipients

On Monday, April 5th, Baldy View ROP hosted the 2020-2021 Virtual Student Success Awards Ceremony. We honored students from all four school districts from Chaffey Joint, Chino Valley, Claremont, and Upland. We recognized over 130 students who excelled through this challenging year of COVID-19 and distance learning. In addition, eight students were awarded scholarships from the BVROP Foundation scholarship and three students were the recipients of the BVROP scholarship award supported by Core5 Industrial Partners. To see the video, visit our website at www.baldyviewrop.com. Congratulations students!

BALDY VIEW ROP RECEIVES EXCELLENT REPORTS FROM COUNCIL ON OCCUPATIONAL EDUCATION (COE) AND WESTERN ASSOCIATION OF SCHOOLS AND COLLEGES (WASC) ACCREDITATION AGENCIES

Baldy View ROP (BVROP) hosted virtual team visits from Council on Occupational Education (COE) and Accrediting Commission for Schools-Western Association of Schools and Colleges (ACS-WASC) during the week of February 1-5, 2021 to reaffirm accreditation for BVROP secondary and adult education programs.

Throughout the week, the visiting teams met with stakeholders, instructors, and staff as well as interviewed current students and alumni to verify and confirm program plans, procedures, and processes, which were documented in self-study reports. The teams also verified records and data as well as observed virtual classrooms.

At the end of the virtual visit, the teams presented their exit reports and recommended BVROP for reaffirmation accreditation for both agencies. The WASC team report reported an excellent score and the COE team completed the report with zero findings. BVROP received official exit reports which detailed the effectiveness of the self-study reports and overall standards/criterion met. Thank you to all who prepared, participated, supported, and reported. Your involvement makes a difference and contributes to the success of the accreditation process, reports, and approval.

SPOTLIGHT ON THE STUDENTS

Chaffey Joint

Senior at Rancho Cucamonga High School, Aaliyah Jones was selected as a Student Success Award recipient for her outstanding efforts in the Medical Assisting course. The first half of the year-long course covers Foundations Prep Therapy, primarily focusing on medical terminology and equipment practice. Students utilize the BVROP skills lab which prepares them to work in a doctor's office. The second half of course covers Clinical Prep Therapy where students refine skills learned in the first half of the course and participate in clinicals to apply knowledge learned. Aliyah explained, "I enrolled in this ROP course to expand my education in a field I am interested in pursuing." Instructor Mrs. Garcia added, "I enjoy how passionate Aaliyah is about healthcare. She consistently and actively participates in class." Congratulations Aliyah! Thank you to Mrs. Garcia for sharing this story.

Chino Valley

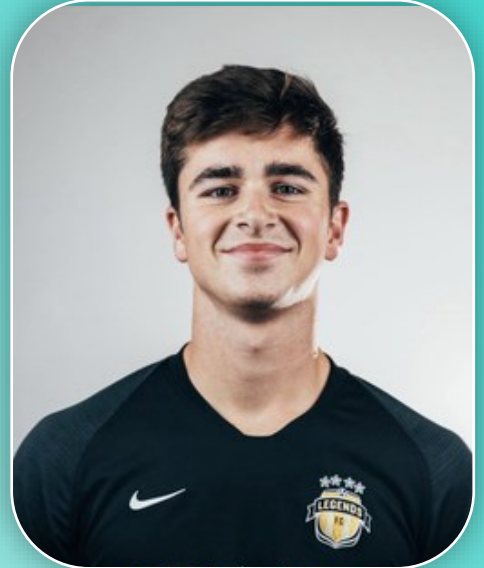

Srinidhi Muralidhar, a Junior from Chino Hills High School, was selected as a Student Success Award recipient for the Emergency Medical Responder (EMR) course. The EMR course provides students with entry level exposure to the world of paramedics and emergency response. Students learn anatomy, physiology, and pathophysiology of the human body. Srinidhi enrolled in this course to further his understanding of Paramedics and Emergency response. He shares, "I understood that the skills that I would learn in this class would be valuable in my future. I was also very interested in learning about what Paramedics and Emergency Medical Responders go through during their work." Instructor Mr. Campbell adds, "Srinidhi consistently brings a positive approach to our 4th-period EMR class. He regularly demonstrates natural leadership qualities and sets a good example for others during our Zoom meetings and group activities." Congratulations Srinidhi! Thank you to Mr. Campbell for sharing this story.

SPOTLIGHT ON THE STUDENTS

Claremont

Claremont High School Senior Jared DeMott was selected as a Student Success Award recipient for the Sports Medicine course. In this course, students learn therapeutic services skills. Students learn patient care procedures, rehabilitation, and cardiovascular functions to prepare for other courses in the patient care pathway. Jared shares, "I'm interested in a healthcare career. I want to help others who need physical assistance." Instructor Mr. Snapp adds, "Jared comes to class engaged and genuinely interested in the material. He has excelled the entire year while displaying poise and determination along the way. I look forward to seeing what the future holds!" Congratulations Jared! Thank you to Mr. Snapp for sharing this story.

Upland

Upland High School Senior Reyna Hernandez was selected as a Student Success Award recipient for Healthcare Occupations. In this course students explore various careers in healthcare, learn about prevention treatment, as well as preservation of mental and physical well-being. Reyna shares, "My motivation for enrolling into this ROP course was to get a better understanding of my future career. My goal is to become a nurse, and I believe that this class was the best to take because I can learn more." She adds, "I learned many responsibilities of becoming and nurse, especially how to work under pressure." Instructor Mrs. Garcia states, "Reyna is an exceptional student. She would be a great addition to healthcare." Reyna plans on pursuing a nursing degree to become a Certified Midwife. Congratulations Reyna! Thank you to Mrs. Garcia for sharing this story.

Transportation Distribution Logistics (TDL), & UPS Partnership

Baldy View ROP (BVROP) program, Transportation Distribution Logistics (TDL), had the opportunity to collaborate with UPS since its inception. UPS has played an integral part in assisting with the program's curriculum and ensuring that what students learn is not only UPS-centered, but industry-centered. The collaboration with UPS also extends to the design and layout of the Career Training Center Logistics building. UPS provided significant support and guidance by having their engineers, like Tony Ko, work with the BVROP Grant Liaison and Logistics Instructor to create the most ideal yet practical hands-on exposure for students through equipment and educational curriculum. As a result, each piece of equipment, software, and the classroom desks and chairs were all designed with UPS and demonstrated how integral the supply chain is to the Inland Empire.

As one of TDL's industry partners, the partnership has been highly impactful. UPS demonstrated their commitment to the TDL program and approved a banner inside the Logistics building to display their proud partnership. Additionally, students from the 2019-20 school year participated in the opportunity to earn a TDL Student Scholarship that was provided through UPS. Three students recipients were given scholarships to support post-secondary goals! UPS extended their partnership and collaboration a step further by encouraging the TDL program to acquire a Warehouse Management System (WMS) through Deposoco. Recognizing the changes in automation and technology in the Supply Chain, UPS advised the TDL program to implement a WMS so that students would be prepared to enter the job market successfully with relevant skills and exposure to industry technology.

The BVROP and UPS partnership has also produced and allowed students who successfully complete the TDL program to start their careers with UPS. UPS has provided campus interview workshops for TDL students, and TDL students have visited UPS facilities through field trips. Overall, the partnership with UPS continues to grow and students experience immense benefits through the TDL program and partnership.

**MAY 9TH—15TH
NATIONAL
POLICE
WEEK**

May is Asian American Pacific Islander Heritage Month

Asian Pacific American Heritage Month originated with Congress in 1977, when Rep. Frank Horton of New York introduced a resolution proclaiming the first 10 days in May as Asian Pacific American Heritage Week, and Sen. Daniel Inouye put forth a similar resolution. Neither passed, but the following year, Horton tried again and succeeded, and a joint resolution passed by the House and Senate was signed into law by President Jimmy Carter on Oct. 5, 1978.

In the 1990s, Congress expanded the recognition to a full month. The month of May was chosen to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the completion of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks were Chinese immigrants.

The May celebration includes all of the Asian continent and the Pacific islands of Melanesia (New Guinea, New Caledonia, Vanuatu, Fiji and the Solomon Islands), Micronesia (Marianas, Guam, Wake Island, Palau, Marshall Islands, Kiribati, Nauru and the Federated States of Micronesia) and Polynesia (New Zealand, Hawaiian Islands, Rotuma, Midway Islands, Samoa, American Samoa, Tonga, Tuvalu, Cook Islands, French Polynesia and Easter Island).

“There is simply no rationale or justification for targeting fellow human beings.

Racism is a reality for communities of color. And while every situation may not only be about race, when you are a person of color, race is always a factor.

Realizing that incidents of harassment, intimidation, assault, and murder have increased during the pandemic because Asian communities are scapegoats for the pandemic is alarming. Hate and prejudice cannot be tolerated.

Baldy View ROP will continue to be a place where everyone is valued. We will continue to acknowledge and work through our biases, recognizing that diversity is our strength, and that our work must be achieved through a lens of equity and access. Baldy View ROP is an institution who has no tolerance for hate. We stand with our students, staff, stakeholders, and communities of Asian and Pacific Islander descent. We see you. We hear you.”
