**Summer School 2019**

The Baldy View ROP Summer term is off to a great start! Students are continuing to prepare for career and college over the summer by taking BVROP courses at Alta Loma High School, Etiwanda High School, Upland High School, Valley View High School, and the BVROP Career Training Center in Ontario.

Ontario High School junior Trisha Romero shared her experience so far in the Exploring Athletic Training course.

"I want to be a sports agent for a career so I took this class to learn more about the sports industry. We've already covered agency law and what goes into writing contracts for athletes," she said.

Alta Loma High School senior Avyon Carr Allison is also taking his ROP summer course to prepare his future career.

"I want to be a writer, so I'm taking Digital Photography. I know that being good at taking pictures is an important skill for writers because pictures often accompany articles. I've enjoyed learning about shutter speeds and ISO settings so far."

Be sure to check in to our social media channels during the summer to follow our students' latest activities in class!

## Course Completer Profile

Instructor James Schickel,  
Meagan Decker, and  
Instructor Kelly Binks

Rancho Cucamonga graduating senior Meagan Decker completed her third term in the Law Enforcement Occupations pathway and provided one of the student speeches at the spring completion ceremony. Meagan was inspired by the course and her goal is to become an officer in the Air Force.

She will be attending Embry-Riddle Aeronautical University this fall.

Meagan shared that she had no interest in a career in law enforcement prior to joining the course, but her connection to the material was immediate after the first day.

"When I went home after my first class, my mom told me she hadn't seen me this excited in a long time," Megan said.

Meagan served as the First Assistant Class Leader this term. She shared, "My leadership position showed me how to effectively communicate and take responsibility for the class as a whole. These courses have strengthened my resolve to continue my career in criminal justice and the military and have taught me how to be a good teammate and leader."

Photo captions clockwise from top: LEO students stand at attention after marching in formation to their completion ceremony; Students' families and friends gather to congratulate them after the ceremony; LEO Instructor Kelly Binks, keynote speaker Ontario PD Captain John Duffield, Criminal Justice Instructor Joe Nash, and LEO Instructor James Schickel congratulate LEO students with certificates of completion

## SPOTLIGHT ON THE STUDENTS

# HVAC Systems

Students taking the HVAC Systems course at Chaffey High School (CHS) with Instructor Reyes Vazquez finished another strong semester in gaining the hands-on training, experience, and certifications necessary for employment in the HVAC industry.

“The students have gained a tremendous amount of skill due to the hard work they’ve invested in themselves and this course. I’m just providing the guidance and safety. The rest is all their hard work,” Instructor Vazquez said.

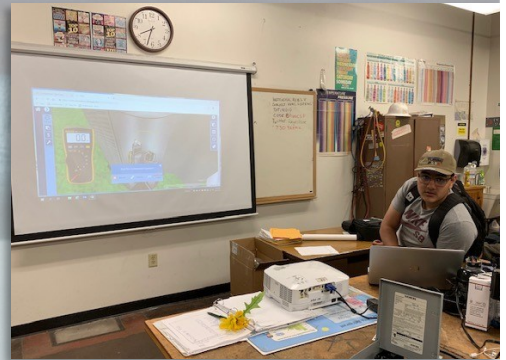

Recent projects have included installing new HVAC systems complete with controls, wiring, and proper refrigerant charges, utilizing brazing techniques to install valves, and troubleshooting HVAC systems problems through a virtual program. Students also have the opportunity to earn their EPA-608 certification. Special thanks to Instructor Vazquez for sharing this story!

CHS senior Sage Holloway installs a new HVAC system

CHS senior Ayrick Ochoa brazes and installs a new service valve

Senior Jonathon Meza with Options for Youth utilizes virtual diagnostic models

Claremont High School lunch event hosted by Virtual Enterprise classes

Virtual Enterprise students selling tacos, nachos, desserts, and drinks during a lunch period event

## Virtual Enterprise

The Baldy View ROP Virtual Enterprise course at Claremont High School (CHS) teaches students how to start their own businesses. A school-wide event hosted by the Virtual Enterprise classes was held on Friday, May 31st on campus at CHS during lunch. All three Virtual Enterprise classes were responsible for organizing, setting up, and cleaning up the event. The students organized food preparation, games, and publicized the event. Various food options were sold while over 10 different group interactive games were made available to participating students. The event also served as a competition for the students to sell their proposed company franchises from branded table-top display booths. The event was successful and provided excellent exposure for the Virtual Enterprise course as an estimated 600-700 students participated.

Special thanks to Instructor Jim Londagin for sharing this story!

# SPOTLIGHT ON THE STUDENTS

## Healthcare Occupations

Amy Moon (right) and AHS senior Giselle Ann practice taking blood pressure in class

BVROP Healthcare Occupations student Amy Moon has been selected as an intern for a Kaiser Permanente Regional Laboratory! She was also awarded a BVROP Student Success Award this year for Healthcare Occupations, previously completed the BVROP Emergency Medical Responder course, and has just finished her junior year at Ayala High School (AHS) within Chino Valley Unified School District (CVUSD).

Amy was one of the 8 chosen among hundreds of applicants. As an intern, she will be handling samples and working with specimens from patients. She is looking forward to working with clinical laboratory scientists and gaining hands-on experience. Amy shared that her ROP courses helped her learn how to retain complex information quickly.

“I took ROP courses because I wanted to learn about different occupations in the medical field and to find out what I wanted to do as my profession,” she said. “Taking the EMR and Healthcare Occupations courses allowed me to expand my knowledge about the medical field and helped me discover my passion for medicine. I highly encourage students to take an ROP course to either find their true interest, gain more knowledge in their field of interest, and use it as a stepping stone to achieve their goals.”

Special thanks to Instructor Mike Garcia for sharing this story!

Amy Moon honored at the Student Success Awards by Assistant Superintendent of Educational Services, Forest DeRenzo, Ed.D.

## Contemporary Modern Dance & Hip Hop

All female hip hop dancers did a threepeat bringing home a first-place trophy

Baldy View ROP Contemporary Modern Dance students at Upland High School had a successful competition season this spring semester. After almost 16 hours at their first competition in January, the team came home with 1st place in Senior Hip-Hop Solo, 2nd place for medium ensemble co-ed Hip-Hop, and also won the Sportsmanship Award. This was one of the many competitions students prepared for with their instructor Anna Jarrell.

The second competition was one for the books as UHS Express Dance Co., Hip Hope Team, and 4 solo teams reaped the reward for many hours of practice and dedication to their passion for dance. They came home with not one, not two, but three 2nd place awards. At the second competition, the students won the Sportsmanship trophy.

In addition, the 2019 and 2020 dance auditions took place this May with over 120 signups. “With competition #3 behind us I am very proud of our teams and solos. Large Co-Ed Hip Hop came home with 1st place two times in a row!” said Instructor Jarrell.

Instructor Anna Jarrell and UHS Dance students with their trophies and honors after successful competitions

Congratulations to all Contemporary Modern Dance and Dance: Hip Hop students for their many successes in their spring competitions!

# Alumni Profile

**“Baldy View ROP courses give students an insight to real world work. These courses prepare students who have little or no work experience to enter a career field and develop a professional attitude for success.”**

**- Jimmy Montes, Correctional Officer**

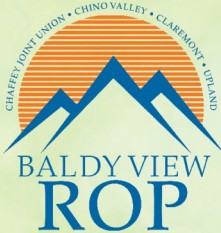

Baldy View ROP alum Jimmy Montes graduated Chino Hills High School (CHHS) this year and has already been hired for an exciting career. Jimmy will be working as a Correctional Officer in the state of Texas. Thanks to his OSHA 10 certification, which he earned in his BVROP Stage Technology course this year at CHHS, Jimmy will be earning an additional \$10,000 annual income!

“Being OSHA 10 certified added to my portfolio and made me stand out as a candidate, especially since it is a federal certification,” Jimmy said.

The OSHA 10 certification recognizes safe work practices and is relevant to many BVROP courses, including Stage Technology where students construct sets and work with various power tools. Jimmy and other students who earned their OSHA 10 through Stage Technology were trained in OSHA practices and then passed an exam in order to earn their certification.

In addition to earning his OSHA 10, Jimmy shared fond memories of his time in class, saying, “I love my fellow classmates. It was so much fun building sets with them and our teamwork made the shows run smoothly.”

Jimmy said he is excited to experience living in Texas and to be employed in an important career that provides growth for the future. Special thanks to Instructors Taylor Gendreau and Kermit Boyd for sharing this story. Congratulations on your success Jimmy!

# LICENSED VOCATIONAL NURSING

## *FACILITATING GROWTH AND SUCCESS!*

Baldy View ROP has a multitude of options when it comes to facilitating the growth and success of our students. To maintain our historically high pass rate of the NCLEX, *lifetime access* to the ATI is offered, providing an in-depth resource for the rest of their careers. Cultivating knowledge is only one part; having facilities where students can apply what they learned are necessary. In addition to the \$500,000 state-of-the-art Skills Lab at the Career Training Center in Ontario, we also built relationships with various medical facilities in the area that operate as clinical sites for our students. These sites place our students into real situations in the field and give them an edge when they enter the job market. We are always working to create new partnerships with facilities in the area. If you or a business you know of are interested in partnership please contact Business Development at 909-980-6490 ext.1249.

# Medical Assistants: Learning By Doing!

Medical Assistant Students preparing for phlebotomy/venipuncture

Our medical assistant students have finished some of their most unique and rewarding training: phlebotomy! Unlike most other programs, phlebotomy training and certification is included in the tuition at Baldy View ROP. This certification is a significant core competency in the skillset of Medical Assistants. In an industry that is expected to grow by 29% by 2026\*, it is important to provide a high amount of quality training that will allow our graduates to start and remain competitive. With a high job placement rate, we are definitely succeeding. Congratulations to all our students who have reached this milestone!

# April PD

Employees of BVROP met on Saturday, April 27 for our Professional Development meeting. The theme of our meeting was “Building a Crescendo: Making Your List and Checking it Twice” and focused on the balance and streamlining of standardized lesson plans while ensuring rigor and effectiveness. Superintendent Shelley Adams, Ed.D. presented organizational updates on construction at the Career Training Center. Instructor Kermit Boyd led the icebreaker and instructors were recognized for their contributions to BVROP as a part of Teacher Appreciation Week. We would like to thank SchoolsFirst Federal Credit Union for sponsoring this event!

## Staff News and Notes

Thank you to all Career Technicians, school staff, and faculty members who invited us to speak at your campuses this past school year about Baldy View ROP courses! Visits this year included high schools within our partnering school districts, intermediate and junior high schools, and special community events!

### Teacher of the Year

Instructor Jim Londagin was named Teacher of the Year this year at Claremont High School (CHS)! Instructor Londagin teaches the BVROP Virtual Enterprise and Retail Marketing courses at CHS. He is an impactful instructor and in fact 15 students from Retail Marketing at CHS were hired to continue working at their internship sites this year. The honor was student-voted and awarded to him on May 31st during the CHS Renaissance Rally. Congratulations, Jim!

Instructor Londagin's award for being named Teacher of the Year at Claremont High School

Instructor Londagin at the 2017 Baldy View ROP Community Open House representing this Virtual Enterprise and Retail Marketing courses

### Instructor Retirements

Instructors Marie Sliney and Mike Barilla have announced their retirement. Mike has taught Firefighting Technology with BVROP for 20 years. He is proud of the students he has taught that have continued to join the workforce as emergency medical technicians and as firefighters.

Marie has served BVROP as a Healthcare Occupations and Medical Assistant Instructor for 11 years. She has also earned many accolades in her career at BVROP including Staff Member of the Year at Upland High School this year. We would like to give a heartfelt goodbye to Marie and Mike and congratulate them on their great careers!

BVROP Commission Vice President Nancy Treser-Osgood, Instructor Marie Sliney, BVROP Commission Member Jack Young, Superintendent Shelley Adams, Ed.D., Instructor Mike Barilla, BVROP Commission Member Joe Shaffer, and BVROP Commission President Sue Ovitt

## Certificated & Classified Appreciation Weeks

We would like to recognize all of our instructors and staff for their service and dedication to BVROP and the difference they make in the lives of our students. You are appreciated!

Classified staff have fun at their appreciation lunch

Superintendent Shelley Adams, Ed.D. shares her appreciation for instructors at the April PD

## Staff News and Notes

### 2019 CASBO Annual Conference & California School Business Expo

Fiscal Analyst Koria January, Director of Personnel Services Lisa Porter, Senior Accounting Assistant Blanca Quintal, and Director of Business Services Carla Roberts attended the 2019 CASBO Annual Conference & California School Business Expo from April 15-18 in San Diego. The conference featured over 150 professional development sessions and covered relevant topics including the relationship between personnel services, business services, and payroll as well as facilities funding.

Fiscal Analyst Koria January, Director of Personnel Services Lisa Porter, and Director of Business Services Carla Roberts have fun at the CASBO 2019 Conference

## Welcome to Baldy View ROP!

**Eddy Carias**

Program Specialist - Curriculum Development

Eddy is our new Program Specialist and Curriculum Development at the CTC location for Baldy View ROP. He will be assisting coordinators and other Program Specialists to meet program goals and build collaboration among our instructors and leadership team. Eddy is looking forward to learning more about Career Technical Education and the impact it makes on Baldy View ROP students. Eddy's professional and educational background began back in 1994 when he started as a Teacher Assistant. It wasn't until 2001 that he pursued a career as an educator in Adult Education where he taught English as a Second Language. Around 2004, he transitioned to teaching at-risk students. At that point, he felt he hit his stride because these group of students were told they were not going to reach goals in life and helping them achieve their high school diploma was, and still is, an incredible feeling for Eddy. In 2014, he began working out of the classroom in leadership positions where he learned to polish his leadership skills and built collaboration among colleagues. Eddy is an avid small scale car collector. He enjoys going to the movies with the family and enjoys trying new food with his wife who he has been married to for 14 years. He was born in the beautiful country of Guatemala and is a father of two wonderful children. Welcome Eddy!

**Jorge Gomez**

Administrative Services Assistant

Jorge is working as the Administrative Services Assistant at Baldy View ROP. Jorge has studied courses in Business Administration and Communications with a professional background in educational instruction and administration. His recent position before joining BVROP was in financial law as a paralegal. Upon his return to the education sector, Jorge is excited to work with faculty, instructors, staff, and administration of BVROP to support students who are seeking to achieve success becoming professionals in their field of interest. Jorge is looking forward to learning and growing his career in educational administration. When Jorge is not working, he enjoys being outdoors, traveling abroad, and attending indie-rock concerts. He is a basketball player/enthusiast who also loves listening to jazz music. He loves to spend time with his family and friends. Jorge is an aspiring entrepreneur and is developing his own trademark in sports apparel. He is also interested in adopting a pet dog in the near future. Jorge states "I am impressed with the culture and personalities on staff here at BVROP. I feel privileged to be a part of the team!" Welcome to the BVROP team Jorge!

Have a happy & safe 4th of July from all of us at Baldy View ROP!

special

# THANK YOU

to our partners & sponsors

*Baldy View ROP would like to extend a special thank you to our generous partners and sponsors. Thank you for your support in preparing students for career and college!*
