

ENROLLMENT

Enrollment in Baldy View Regional Occupational Program (ROP) shall be conducted under the following list of priorities:

1. Students continuing enrollment in the same program.
2. Students in fourth and third year high school and age 16 years or older. (In order of chronological age within each grade level)
3. Other high school students 16 years or older (in order of chronological age).
4. High school students under 16 years of age in the following categories: special education students whose IEP specifies an ROP course; pupils in immediate need of employment upon completion of the training; pupils for whom there is a high probability that they will leave school prior to graduation, and pupils who need prolonged training (more than two years) but who will not receive it unless they enroll in ROP early. These students under 16 years of age must have a four-year education plan.
5. Out of school youth, age 21 or under, who are not concurrently enrolled in high school.
6. Persons who reside in a participating district, who are not enrolled in a high school and who are seeking entry-level employment skills, with District Representative approval.
7. Persons who do not reside in the participating districts' area, who are not enrolled in a high school and who are seeking entry-level employment skills.

Students who graduate from high school while attending a ROP course may remain in that course for one semester before having to re-enroll as an adult.
