

ATTENDANCE RECORDS

The Baldy View Regional Occupational Program (ROP) assigns the Superintendent responsibility for maintaining a system of attendance accounting for all students in the ROP, which will serve as a basis for attendance apportionment. (Education Code 41601, 46000, 46010-46014)

Students are required to attend classes regularly in order to benefit from the educational opportunities provided by career technical training programs. Students are to attend class as scheduled unless special arrangements are made with the teacher in advance. Students who show a lack of interest or have a poor attendance record may be subject to corrective practices up to and including dismissal.
