

STUDENT DISTURBANCES

The Baldy View Regional Occupational Program Commission desires to provide orderly classrooms at the Career Training Center (CTC) that create a positive school environment and are conducive to learning. When students initiate or are involved in a campus disturbance that has the potential to threaten the safety of students or staff, the Superintendent or designee may request law enforcement assistance.

The Baldy View Regional Occupational Program (ROP) defers to the policies and regulations of the participating district's school disturbance response plans that shall apply to students attending the ROP's classes.

ROP staff are encouraged to be alert to conditions at school that may lead to a disturbance, such as racial or cultural conflict, student protests, or gang intimidation and confrontations. Staff who believe that a disturbance is imminent, or who see a disturbance occurring, shall immediately contact the school district's site administrator.
