

**PROGRAMS AND SERVICES**

Baldy View Regional Occupational Program (ROP) is a California public school agency that provides career technical education and services to high school students and adults who are interested in improving their employability and preparation for higher education.

The ROP offers more than 54 diverse career-specific technical courses.

The ROP classes meet career and technical education needs for all students.

These courses reinforce academic content standards through rigorous and relevant instruction using applied learning.

The ROP classes provide opportunities for hands-on-learning with state-of-the-art equipment and/or on-the-job training in local businesses.

All ROP students will demonstrate mastery of career, technical and academic standards as measured by multiple assessments.

All ROP students will apply technological innovations to meet workforce requirements as measured by multiple assessments.
