

COMPREHENSIVE LOCAL PLAN FOR SPECIAL EDUCATION

The Baldy View Regional Occupational Program Commission desires to provide a free and appropriate public education to all individuals with disabilities who reside in participating districts and may be enrolled in the Baldy View Regional Occupational Program (ROP).

The ROP will provide appropriate accommodations as described in the individualized education program (IEP) developed at the referring district for any student with disabilities who enrolls in ROP classes or programs.

Before enrolling any individual with exceptional needs in ROP classes, the participating district shall notify the ROP of the student's IEP.

An individual with exceptional needs means a student who has been identified as eligible and receives services from a participating district under the Individuals with Disabilities Education Act (IDEA), United States Code, Title 20, 1400-1482, and Education Code 56000 *et seq* or a participating district's student who receives accommodations and modifications under section 504 of the Rehabilitation Act of 1973.

The participating districts shall provide and pay for any services, accommodations or modifications required under a student's IEP or 504 plan while the student is enrolled in the ROP programs.
