

ENERGY AND WATER MANAGEMENT

The Baldy View Regional Occupational Program's (ROP) energy emergency action plan shall, at a minimum, address the following:

1. Procedures for student and staff safety during power outages.
2. Methods to ensure administrative control of operations during power outages.
3. Procedures to protect equipment that may be damaged by power outages, such as computers and pumps.
4. Procedures to establish a clear, effective communications system with staff, students and parents/guardians.
5. Guidelines for coordination with local fire, police and utility providers.

ROP-site plans to conserve resources shall address energy and water use at each site, including plans for:

1. Reducing energy use during high-peak hours.
2. Shutting down lights and equipment when facilities are not in use.
3. Updating each site's preventative maintenance schedule for emergency lighting, generators, exit lighting, and other safety related equipment.

The following operations shall also be reviewed in order to ensure that they further the ROP's energy and water conservation goals:

1. Educational programs
2. Classroom and building management and maintenance
3. Landscaping selection and irrigation
4. New construction

(cf. 7110 - Facilities Master Plan)

5. Administrative operations
6. Use of facilities by outside groups

(cf. 1330 - Use of ROP Facilities)

(cf. 3512 - Equipment)

(cf. 7111 - Evaluating Existing Buildings)

ENERGY AND WATER MANAGEMENT (continued)

The Superintendent or designee may solicit input from staff, students, and parents/guardians about the ROP's program. The Superintendent or designee shall provide staff and students with training and guidance on best practices to achieve the ROP's goals, such as a reward program to recognize outstanding accomplishments.

Emergency Interruption of Services

The Superintendent or designee shall develop a plan to address actions to be taken in the event of power outages or other emergency interruption of utility services, both during and after school operations. The plan shall address procedures to help ensure student and staff safety, administrative control of operations, protection of equipment, effective communications, and coordination with local fire, police, and utility service providers.
