

STUDENT ORGANIZATIONS**Conferences**

Student organization conferences sponsored by the Career & College Transition Division of the California Department of Education are approvable activities.

Conference attendance must be submitted by the advisor for approval in accordance with conference plan/field trip procedures.

Members of the organization may conduct fundraising activities to help defray the costs of attendance at those conferences.

No individual or group shall initiate any fundraising activity without first obtaining permission from their Program Manager and the Director of Instruction. All activities shall be under the supervision of the Baldy View Regional Occupational Program (ROP) teacher assigned as advisor to the student organization.

Costs for all local and regional activities are to be provided by the student organization and its members using such monetary sources as dues, contributions, profits from approved fund raising activities, and federal fund allocations where appropriate.

Parent meeting(s) will be held to clarify student organization activities for the year including fundraising, financial commitment and behavior guidelines.

The following guidelines will be used for monetary commitments for vocational student organization activities:

1. Dues - student responsibility.
2. State and national conference registration - student and parent responsibility.
3. State and national lodging - ROP responsibility.
4. Travel - student, parent, chapter, and ROP responsibility.
5. Other expenses; i.e., food, miscellaneous travel, pictures - student and chapter responsibility.
6. Chapter advisor(s) - ROP responsibility.

Each conference shall be approved individually, and monies for this purpose will be dependent upon the availability of ROP funds.
