

COMMISSION REPRESENTATIVES

A Baldy View Regional Occupational Program Commission member may be appointed to serve on an advisory committee or as a representative to another public agency or organization when the Commission deems such appointments desirable. The appointment would be contingent on acceptance of the appointment by the member. Due to open meeting law requirements, a majority of the Commission shall not be appointed to serve on the same committee.

When making such appointments, the Commission shall clearly specify, on a case-by-case basis, what authority and responsibilities are involved. Commission representatives shall not grant Baldy View Regional Occupational Program (ROP) support or endorsement for any activity without prior Commission approval.

If a committee discusses a topic on which the Commission has taken a position, the Commission member may express that position as a representative of the Commission. When contributing individual ideas or opinions on other topics, the Commission member shall make it clear that he/she is speaking as an individual, not on behalf of the Commission.
