Baldy View ROP to hold Student Success Awards event online April 13, 2020 at 7:00pm.

The Baldy View ROP Student Success Awards Ceremony is held annually and recognizes exceptional high school students from Chaffey Joint Union High School District, Chino Valley, Claremont, and Upland Unified School Districts for their accomplishments in their ROP career technical education courses as well as award student scholarships to deserving recipients. We are very proud of our students and look forward to honoring them.

Baldy View ROP Superintendent, Dr. Shelley Adams shared, “The safety and health of our students and staff remains prioritized as we respond to the challenges of COVID-19, by adhering to state level school site closure recommendations. However, Baldy View ROP is sensitive to the disappointment that many students, parents, and stakeholders are feeling at the inability to hold traditional ceremonies right now and wanted to find a unique way to celebrate student achievement during these extraordinary times.”

The “Watch Party” is an online event in which inspirational excerpts from instructors about their student awardees will be shared as we celebrate and rally around our student achievers. Let us recognize our students on April 13th at 7:00pm. Please visit www.Bit.ly/BVROP_StudentSuccess2020 (link is case sensitive) and join us in congratulating our students.
