### **New Medical Skills Lab Opens its Doors at Baldy View ROP Career Training Center**

A newly modernized and renovated medical skills lab is up and running at the Baldy View ROP Career Training Center in Ontario. The lab is updated with a variety of state-of-the-art medical equipment to be utilized by students taking Health Science and Medical Technology courses including Medical Assistant, Sports Medicine, Healthcare Occupations, Licensed Vocational Nursing, and more.

The lab's renovations are made possible through the \$13.7M state-funded CTE Incentive Grant (CTEIG) awarded to Baldy View ROP and its regional partnering districts, Chaffey Joint Union High School District, Chino Valley, Claremont, and Upland Unified School Districts.

The lab, designed to emulate settings found within the healthcare industry. These include hospital exam rooms, doctors' offices, and trainers' stations. Newly purchased equipment includes hospital beds, life-size training mannequins, sports medicine training tables, visual aids, anatomical models, ultrasound equipment, and an electronic medicine dispensing unit.

For more information about the Baldy View ROP as well as the medical courses offered to high school students and adults, please call 909-947-3400 or visit [www.baldyviewrop.com](http://www.baldyviewrop.com).
