Baldy View ROP to host its annual Student Success Awards April 22

On Wednesday, April 22 at 7:00pm, Baldy View ROP will be hosting its Student Success Awards at Upland High School's Highlander Auditorium. The annual Student Success Awards ceremony is an event during which Baldy View ROP and its stakeholders recognize students from the various Career Technical Education (CTE) classes from the high schools in our regional partnership for outstanding student achievement in performing career pathway skills.

There will be 68 Students Success Awards given this year, over twice as many as were awarded in 2014. The range of winners is diverse, with students representing Chaffey Joint Union High School District, Claremont, Upland, and Chino Valley Unified School Districts.

There will also be students recognized during the ceremony for earning the California Association of Regional Occupational Centers and Programs (CAROCP) Distinguished Student Award, as well as students who will be recognized for winning the Baldy View ROP Foundation Student Scholarships.

The Student Success Awards are the most highly attended event of the year for Baldy View ROP and this year's pool of winners will yield the largest turnout yet.

Sponsorship opportunities for the event are still available. If you would like more information on becoming a sponsor, please contact Baldy View ROP at 909-980-6490 ext. 1249.
