

RECRUIT COUNSELORS

WE NEED YOUR HELP!

Foothill Horizons Outdoor School is serving more students than ever and high schools students are busier than ever. Our previous network of high school recruiters is maxed out and over the past several years we have had an increasing number of weeks where there are insufficient counselors. The result is that Foothill Staff and classroom teachers have had to fill in for that role.

Counselors can be:

- High school students, juniors or seniors and sophomores in the spring
- Staff from your school
- Recent grads or college students - must be fingerprinted and cleared by Foothill
