<b><u>Transition Services Department</u></b>	
<p><b><u>Project SEARCH at Overlook Medical Center</u></b>                  A one year, immersion-based internship program that takes place entirely inside a major hospital in Union County. Students rotate through three different internship experiences on-site at the hospital where they learn and practice transferrable job skills. This application-based training program is designed for students with developmental disabilities including Autism. Students must agree that their participation in the program would mean it will be their final year of the high school entitlement and be willing to accept a diploma at the completion of the program. Accepted students receive intensive training on the use of public transportation to get to and from the hospital.</p> <p><b><u>Contracted SLE Services</u></b>                  UCESC’s Transition Services department partners with local school districts to provide contracted Structured Learning Experience (SLE) programs. These services include: establishing relationships with local businesses, developing internship experiences, securing the appropriate paperwork and liability insurance for the program, transporting students to and from the SLE sites, providing a trained support professional on-site with each student, and providing ongoing SLE supervision by a trained and certified Special Education teacher.</p>	<p>\$47,260</p> <p>Rates vary based on a district’s needs. Individual contracts are developed after consultation with the district.</p>
