

## 2023-2024 Detroit Lakes Public School Testing Calendar

While the Minnesota Department of Education and Detroit Lakes Public School District strives to ensure this testing schedule remains unaltered, it is subject to change. Buildings will communicate to parents with more detailed information as the time becomes closer. We will continue to update this testing schedule and also provide families with direct communication about their child's assessment schedules and results. A real time detailed calendar can be found [here](#).

## STAR ASSESSMENTS - Classroom Assessments

Star Assessments are 10-30 minute standardized computer assessments that provide teachers with learning data to help inform instruction. Star tests are computer adaptive, which means they adjust to each answer your child provides. This helps teachers get the best data to help your child in the shortest amount of testing time. This information is helpful to inform instruction, progress monitor and determine annual growth. Students in grades K-HS are tested in the areas of reading and math. Learn more about [STAR Assessments](#).

### STAR Assessment Testing Windows:

Each teacher and/or principal will provide parent notification of exact dates and times for teachers

- Fall: September 11 - October 13
  - Winter: December 4 - January 19
  - Spring: April 15 - May 23
- 

## HIGH SCHOOL ADVANCED PLACEMENT TESTS

The 2024 AP Exams will be administered in schools over two weeks in May: May 13-17. Teachers, coordinators, or our HS counselors, will notify students about when and where to report for the appropriate exams for students who are taking them. Testing at times other than those published by the College Board is not permitted. Find more information on the [AP Central site](#).
