

## Quizlet Directions

Quizlet is a great way to review material you have learned!

Go to [www.Quizlet.com](http://www.Quizlet.com)

Click on SIGN UP (top right)

Fill out the application completely:

Username: Please use some variation of your first and last name (first name last name, last name first initial, add middle initial or year of graduation) so I can identify you

Password: Be sure it is something you will remember as I have no access to it

\*Make sure to include a real email address: you can use it to retrieve your password if you forget it

Click on JOIN OR CREATE CLASS (left hand box, halfway down)

Type in BCAVTS

A list of classes will pop up

Scroll down until you see BCAVTS Cosmetology (Dittman)

Click on REQUEST TO JOIN

I will get an email that says you wish to join the class. Once I accept you, our class will show up on the left hand side under Classes every time you login in.

You are still able to use this site even if you have not been accepted yet :)

All of the lessons for COS from the Milady textbook are listed.

There is a box that reads SORT. If you click on it and choose ALPHABETICAL, all the lessons will show up in order.

Click on any lesson.

Options for study are on the left hand side.

I find Learn, Flashcards, and Matching to be the best. Some of the others involve a lot of typing/spelling and can be frustrating if those aren't your strengths :)

The test option is a great way to see how much you understand about the material you have studied. :)

Click on TEST.

On the bottom right, click on OPTIONS.

You can decide how many and what kind of questions you would like on your test.

For our COS lessons, MATCHING and MULTIPLE CHOICE are the best to use.

When you finish a test, you will get a score and be able to see which questions you had correct and which you missed.

Incorrect answers will be marked with a red x and the correct answer will have a green check mark.

You might want to take a test before you start to see what you remember and then another after you have completely reviewed the information.

Thank you!
