## DCS TEACHERS PREPARE FOR NEW STANDARDS

Last week, math teachers across the district gathered to begin preparing for the implementation of the new math standards for the 2023 - 2024 school year. Approximately forty educators worked collaboratively within their grade levels to identify changes between the current and new standards. Teachers also worked vertically, across all grade levels, to discuss common mathematical concepts. This professional learning will continue to strengthen math instruction within Dade County Schools. DCS would like to thank Ms. Ashlie Smith (DCHS) and Ms. Alicia Bell (DMS) for facilitating the math training.

**DCS THANKS THE FRATERNAL ORDER OF POLICE**

Dade County Schools would like to give a BIG "shout-out" to the Fraternal Order of Police and Lookout Mountain Lodge 86 for sponsoring several Dade County students that participated in the "Cops & Kids Program." We appreciate your continued support for our students!
