This esteemed program is promoted yearly by the Governor's Office of Student Achievement for rising juniors and seniors. Over 3,200 students were nominated to the state-level competition, with over 1,300 of them selected as semifinalists for state interviews/auditions. We are extremely proud of our nominees and the work they have demonstrated throughout their high school careers thus far. They have displayed a high aptitude and great character which will lead them far in their future.
