

GMEA ALL STATE CHORUS PERFORMERS

GMEA ALL-STATE CHORUS

Rock Chaney & Nayla Smith have been selected as singers through the Georgia Music Educators Association's highly competitive and rigorous audition process! Rock received an overall score of 64.5 out of 66. Nayla received an overall score of 63/66 and a PERFECT score on her sight-reading!

They will represent Dade County in Feb 2022 at the UGA Classic Center in the Middle Mixed Chorus!

Congratulations to Rock Chaney and Nayla Smith for being selected as singers for the Georgia All State Chorus. All students auditioning for All State prepare a solo, sing major, minor, and chromatic scales, and perform three music literacy examples in major and minor keys to demonstrate their ability to read music they have never seen before. Over 8000 students audition across the state of GA to be selected for 1200 spots in the five choirs from 7th-12th grade. We had three other students who were within 2 points of achieving this impressive goal. We are proud of the students who auditioned and challenged themselves to perform at this level! Rock and Nayla will represent Dade County in the Middle School Mixed Chorus in February 2022 at the UGA Classic Center!
