

DCHS Chorus Classes Write Leave of Gratitude

For the month of November, the DCHS Chorus classes have been writing "leaves of gratitude" for which they are thankful. Recently, the students filled out leaves to give to teachers for whom they were thankful. Ms. Haston stated that students "wrote about how teachers make the subject areas that students thought they hated lots of fun, how you helped them when they were struggling with issues at home, how your smile brightens their day when they walk into the room, how what you do behind the scenes doesn't get the recognition it deserves, and so much more."
