DCHS HOSA Has 1st Blood Drive of 2021 - 2022

The DCHS Health Occupations Students of America (HOSA) organization recently held their first blood-drive of 2021. DCHS HOSA collaborates with Blood Assurance three times per year hosting the blood drives. Blood assurance sent an email and stated the following: *"the efforts of Dade County High School have always been greatly appreciated and their support of the community blood program will go a long way toward replenishing blood supplies and ultimately saving lives. In addition, we very much appreciate your efforts during this crucial time. You may be interested to know that 54 donors registered, 9 donors were deferred and 64 units were collected! We also registered 20 first time donors! Dade County HOSA knocked it out of the park again!"*
