

STATE TESTING IS JUST AROUND THE CORNER

DCS elementary (3rd - 5th grades) and all middle school students will soon begin participating in the GA Milestones, End of Grade (EOG) testing. If you have particular questions about the EOG requirements, please feel free to contact the school principal. If your student is currently a virtual student, please direct your questions to Ms. Patti Johnson, Director of Academics (pattijohnson@dadeccs.org). For a list of the EOG testing dates and subject areas, you can click [HERE](#).

DMS & DCHS Anglers Are FISHING STRONG

DCHS Fishing Team Making a Splash this Season!

All of our athletic programs have been competing at a high level this year and our fishing team is no exception. Coach Barton has a great group of guys along with their boat captains like Rodney Stallings. Eli Stallings and Levi Warnock are pictured top center with their 8.6lb weigh-in. Top Left: DMS members River McBryar and Jake Harris show off their 8th and 4th place plaques. Bottom Left: Caimen Parker and Elijah Hoofman didn't come away with the biggest haul, but you won't find two better young men. Congratulations to Coach Barton and all these fine competitors!

**DCHS Wolverines ROAR - They are Respectful,
On task, Always safe, and Responsible.**

The DMS / DCHS Fishing Team along with Coach Al Barton (DCHS Teacher) and Boat Captains are making a name for themselves on the waters in the tri-state area. Coach Barton and team are currently participating in as many fishing tournaments as possible while also following COVID-19 protocols and all of the different boat ramps. Coach Barton states "it has been a challenge, but the kids are loving it."
