DCHS TOP 10 STUDENT SPOTLIGHT

Basil Nakhleh Valedictorian

Who was your favorite Teacher at DCHS?

Dr. Bailer for showing me that science can be fun.

Who would you like to thank?

I'd like to thank my parents for helping me get to where I am today.

What's next? Where do you see yourself in 10 years?

Attend college and get a degree in civil engineering. I have not enrolled yet but I am considering UGA and the Colorado School of Mines for a degree in Civil Engineering. As for 10 years from now: a steady job.

What advice would you give 9th graders?

Try your best!

If you could change one thing, what would it be?

I would of gone to in person schooling for the 1st semester of my senior year.

What is your best memory of being a DCHS Wolverine?

Participating in the On-Demand Videos for TSA.

What will you miss the most?

Not paying bills.

What is your favorite food, book, and movie?

My favorite food is pasta. My favorite book is Boy's Life by Robert R. McCammon. My favorite movie is The Emperor's New Groove.

Name student you admire and tell us why.

I admire Jeremiah Ricketts for his sense of humor.

What programs have you been involved in while at DCHS?

TSA

DCHS TOP 10 STUDENT SPOTLIGHT

Jordan Roden (Salutatorian)

Who was your favorite Teacher at DCHS?

My favorite teacher is Mr. Sweat because I think he has very dynamic ideas and I really loved his teaching style.

Who would you like to thank?

I would like to thank my sister for always caring for me and supporting me. She pushes me to do my best and is always thrilled over my achievements.

What's next? Where do you see yourself in 10 years?

I plan on attending Kennesaw State to major in Accounting and Business Administration. In 10 years, I see myself working for an accounting firm, surrounded by my closest friends, and having a multitude of cats.

What advice would you give 9th graders?

My advice to 9th graders is to remember to have fun. High school is a great place to start an education and find your path in life, but it's easy to get carried away. The ability to look back on your memories is the most important part of high school.

If you could change one thing, what would it be?

I wouldn't change anything about my high school experience because it has developed me into the person I am today.

What is your best memory of being a DCHS Wolverine?

My best memory as a DCHS student is when my junior year math class had a thanksgiving where we all brought foods and sat at a huge table together.

What will you miss the most?

The thing I will miss most about high school is getting to constantly see my friends

What is your favorite food, book, and movie?

My favorite food is mein. My favorite book is Frankenstein. My favorite movie is The Hobbit: An Unexpected Journey

Name student you admire and tell us why.

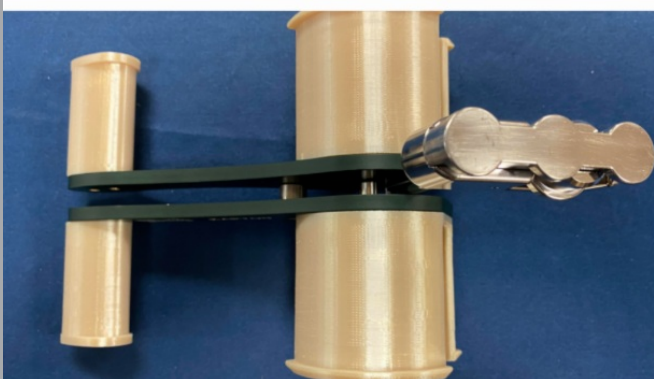

I admire Kaitlyn Hedden because of her ambition. She is a hard worker and she takes charge with her education. Furthermore, she is a kind person who does her best to help others succeed.

What programs have you been involved in while at DCHS

I participated in FBLA, FCCLA, BETA, FFA, the math team, and Volleyball

Tape Dispenser Printed At DMS On The I.S.S.

Talk about real life experiences! DMS students are designing and 3D printing parts for the U.S. Space Station! Right now there are parts in orbit from DMS. How amazing is that? (Mrs. Beeler)
