## DCHS TOP 10 STUDENT SPOTLIGHT

### Bailey Davis

#### Who was your favorite Teacher?

Mr. Page is my favorite teacher because he cares about his students and their education. He was always super patient with me when it came to classroom shenanigans.

#### Who would you like to thank?

I would like to thank my friends for always supporting me in and out of school.

#### What's next? Where do you see yourself in 10 years?

I plan on attending the University of North Georgia and majoring in Psychology. In 10 years, I plan on being a neuropsychologist. Other than that, I have no idea, I am lucky I made it this far. *(We disagree Bailey)*

#### What advice would you give 9th graders?

I would tell freshmen that the next four years are going to fly by and not to get caught up in little things. Enjoy the moments where you are all together, happy and healthy.

#### If you could change one thing, what would it be?

The only thing I would change about my high school career would be that I wish I would have been involved a little more.

#### What is your best memory of being a DCHS Wolverine?

My best memory at DCHS is removing all of the light-switch covers in Mrs. Wilson's room.

#### What will you miss the most?

I will miss being able to see my friends and classmates everyday. Quarantine made me realise how much I will miss the class of 2021, we really are the greatest.

#### Name student you admire and tell us why.

I admire Jordan Roden for her hard work and determination.

#### What is your favorite food, book, and movie?

My favorite food is Chicken Alfredo, Jurassic Park is my favorite book. I can't name just one movie. I would have to say Ferris Bueller's Day Off, 10 Things I Hate About You, and The Princess Bride.

#### What programs have you been involved in while at DCHS

FFA, Volleyball, Soccer, Math team

#### Is there anything else you would like to add?

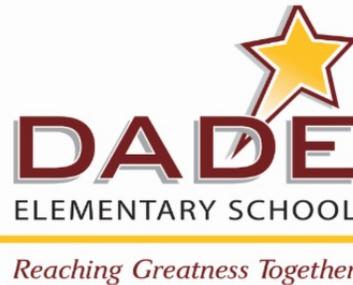

Rules are just suggestions.

### Sam Kimball

**Who was your favorite Teacher?**

My favorite teachers ever would have to be the "sisters that never were" as well as the best coach ever. Both Jessica Wilson and Heidi Wilson have been a key component in fueling my creative drive and passion for the arts while Matt Jelly has taught me how to carry myself with respect and discipline on and off the field

**Who would you like to thank?**

Someone that has gotten me to where I am today would be my Dad. There are truly no amount of words to describe how inspirational, confident, and selfless my Dad is. He has sacrificed so much for me and I will always be grateful. I love you Dad.

**What's next? Where do you see yourself in 10 years?**

After high school, I plan on attending N.A.C.C to acquire an Associates Degree in theater or pharmaceutical science and then weigh my options. In 10 years I see myself being happy, independent, performing on stage or producing life saving medicines, and always being the life of the party.

**What advice would you give 9th graders?**

To all of you upcoming freshman, listen up. High school will not be easy, but it will be filled with some of the best memories you will ever have. Cherish each moment and make sure to know your locations of your classes... trust me

**What is your best memory of being a DCHS Wolverine?**

Boecksgiving... if you know you know.

**If you could change one thing, what would it be?**

If there was only one thing I could change it would be to understand that grades do not define...Periodt.

**What will you miss the most?**

The inside jokes, conversations about life with teachers, conducting the marching band, and performing on the stage.

**What programs have you been involved in while at DCHS**

I have been involved with our unbelievably brilliant drama program, amazing marching band, constantly incredible BETA club, and always talented soccer team as well as the legendary Thespian Society.

**What is your favorite food, book, and movie?**

My favorite food is spaghetti, obviously. The Divergent series by Veronica Roth is my favorite book series, and The Rocky Horror Picture Show is my favorite movie (thank you Fancher Nakhleh).

**Name student you admire and tell us why.**

Some students that are not only admirable but also inspirational include Reagan Carter, Becca Taylor, Aiden Ross, & Katie Taylor. Without you guys constantly reminding me how much you bring to my life I wouldn't be who I am today. Thank you

**Is there anything else you would like to add?**
