DCHS TOP 10 STUDENT SPOTLIGHT

Kaitlyn Hedden

Who was your favorite Teacher at DCHS?

Miss Wilson. She creates an atmosphere of fun and creativity and is the reason I love theatre. Plus she gives me snacks.

Who would you like to thank?

My mom. She's pretty rad and always supports me. Also Preston. He's also rad and makes me milkshakes when I'm sad.

What's next? Where do you see yourself in 10 years?

To go to UGA, major in English and never take a math class again. In 10 years, I see myself living in a cottage somewhere. If that doesn't work out, I would like to work as a flight attendant so I can travel for free.

What advice would you give 9th graders?

Have fun. You only have high school once, so enjoy it (but also like, do your work).

If you could change one thing, what would it be?

I wouldn't really change anything. Even though some of my choices were really stupid, they contributed to my character development and such. That being said, I wouldn't have written all my essays at the last possible second.

What is your best memory of being a DCHS Wolverine?

Boecksgiving. Hands down.

What will you miss the most?

Seeing my friends every day.

What is your favorite food, book, and movie?

My favorite food is sushi. Hamlet is my favorite book (if it counts). Howls Moving Castle is my favorite movie.

Name student you admire and tell us why.

Jordan Roden. She's pretty rad and such. She's also super fun and smart. I also admire Madison Hawkins. She's resilient and kind and creative. They're both my best friends.

What programs have you been involved in while at DCHS

Drama, FCCLA, FBLA, BETA, Thespian Society

Is there anything else you would like to add?

frogs are pretty cool □□□□
