DCHS TOP 10 STUDENT SPOTLIGHT

Mia Sabogal

Who was your favorite Teacher at DCHS?

Dr. Bailer is my favorite teacher because how much he cares about the individual students and their needs. He also makes the classes fun and engaging.

Who would you like to thank?

I want to thank my parents for always being supportive and getting me whatever I need to be successful in school.

What's next? Where do you see yourself in 10 years?

I am going to GSU and I want to go into education. In 10 years, I see myself as a teacher with a master's degree, or maybe even a doctorate, about to start a family.

What advice would you give 9th graders?

Balance fun and school. Both are equally as important in your happiness.

If you could change one thing, what would it be?

I'm not sure I would change anything. I enjoy the person I am today because of the choices I made and the events that occurred.

What is your best memory of being a DCHS Wolverine?

When I won first place in the FBLA regionals competition.

What will you miss the most?

The classroom setting and the relationships with my fellow students.

What is your favorite food, book, and movie?

My favorite food is either baclava or lo mein noodles and sesame chicken. Artemis, by Andy Weir, is my favorite book. My favorite movie would have to be Milo and Otis.

Name student you admire and tell us why.

I admire Basil Nakhleh. His school ethic is very admirable. I don't have the self discipline to complete my work as quickly and efficiently as he does. He also still makes time to enjoy his hobbies which is something I admire because he makes a balance between his school and personal life.

What programs have you been involved in while at DCHS

I am involved in band, FBLA, and the chess club at DCHS.

Is there anything else you would like to add?

Thank you for being such a supportive staff. I have attended many schools and this was the overall best staff that has the best relationships with the students, and you all seem to genuinely care for all of us. Thank you again.

Who was your favorite Teacher?

Jonathan Page because he taught me to love and care for others. He always made class so enjoyable.

Who would you like to thank?

I would like to thank my mom for helping get to where I am today. Without her I wouldn't have the motivation I have.

What's next? Where do you see yourself in 10 years?

I plan to attend Valdosta and major in nursing. In 10 years, I see myself with a good nursing job. I really want to be a travelling nurse so I can see the world.

What advice would you give 9th graders?

Get involve with everything! You'll regret it if you don't.

If you could change one thing, what would it be?

I would stop caring what others think about me and enjoy my time without stressing about small things.

What is your best memory of being a DCHS Wolverine?

Annoying James Emmett everyday but we all know he loves the company.

What will you miss the most?

I will definitely miss soccer and all the sporting events.

What is your favorite food, book, and movie?

My family thinks I have an obsession with Taco Bell. Harry Potter is my favorite book and my favorite movie is Finding Nemo.

Name student you admire and tell us why.

Sam Kimball because he is always lighting up the room never failing to put a smile on someone's face.

What programs have you been involved in while at DCHS

Soccer, Cheer, Art, and Drama

Is there anything else you would like to add?

Don't break your arm on the first day of school or Mr. Fahrney will call you "T-Rex arm" forever.

**In Mr. Fahrney's defense, Julie's arm did, in fact, look like that of a T-Rex.*
