## DCHS TOP 10 STUDENT SPOTLIGHT

### Drake Dupree

#### Who was your favorite Teacher at DCHS?

Dr. Turner makes each day interesting and fun. After finishing teaching she offers to help students who are struggling in other classes. Her care for our success speaks volumes in the classroom.

#### Who would you like to thank?

I would like to thank my dad for helping me get here. While my dad and I don't always see eye to eye, he has taught me that if I want to be successful I must try harder than the people around me.

#### What's next? Where do you see yourself in 10 years?

I plan to attend Covenant College and major in Sociology. In ten years I hope to be done with school. I hope to be contributing back to the community and county I was raised in.

#### What advice would you give 9th graders?

The harder you work now will only make it easier in your future.

#### If you could change one thing, what would it be?

I would go to more sporting events. That is where all the fun is.

#### What will you miss the most?

I will miss the family and community at Dade County High school.

#### Name student you admire and tell us why.

I admire Sam Kimball for being hard working, determined, bold, and unwilling to back down in the face of opposition.

#### What is your favorite food, book, and movie?

My mom's macaroni is the best. I love the book Wild at Heart by John Eldredge and my favorite movie is Hacksaw Ridge.

#### What programs have you been involved in while at DCHS

I have been involved in several groups and organizations, but drama and soccer have gotten most of my attention.
