Accreditation Status and Index of Education Quality@

Cognia will review the results of the Accreditation Engagement Review to make a final determination concerning accreditation status for your institution based on these findings. Cognia provides the Index of Education Quality (IEQ) as a holistic measure of overall performance.

Your Institution's IEQ	SCORE	DESCRIPTION
313	Below 220	An IEQ score below 220 indicates that the institution has several Areas for Improvement and should focus their improvement efforts on those areas and the related Standards and/or Assurances. The institution will be required to present evidence of improvement to Cognia within one year through a Progress Review. Additional Progress Reports may be required if satisfactory Improvement is not achieved.
	220 - 300	An IEQ in the range of 220-300 suggests the institution some Areas of Improvement and may include one or more Noteworthy Practices.
	Above 300	An IEQ of 300 and above indicates the institution meets Cognia for expectations for accreditation that includes one or more Areas Improvement as well as one or more Noteworthy Practices. Institutions must address the Areas for Improvement and provide evidence of actions taken and results to Cognia in a required Progress Review due two years following the review. Additional Progress Reports may be required if satisfactory improvement is not achieved.
