

Audition Notice JCC Youth Theater Program for 4th-9th grade

Auditions at the JCC

Tuesday, September 19 • 4:30 - 6:30 p.m.

Please prepare part of a song of your choosing. Please do not exceed a minute in length. (A good trick for this is doing a verse and a chorus.) You are welcome to sing from the show. Songs can be done with or without a backing track. We will have a speaker you can connect to, or you can send me a link to your music ahead of time. You will not be needed for the entirety of the audition and the order will depend on the order of arrival. Once in the audition room it will take roughly 5-10 minutes. Don't forget to have fun!

Callbacks at the JCC

Wednesday, September 20 • 4:30 - 7:00 p.m.

Not everyone will receive a callback but all that means is that we know exactly where we want to cast you in the show! Callbacks will be given out immediately after your audition. We will give you materials for the character(s) we are calling you back for. Please just familiarize yourself with the material, we do not expect it to be memorized or perfect!
