

# MAURY CITY ELEMENTARY NAMES AUGUST READERS OF THE MONTH

By Ron Barry

The first batch of “Reader of the Month” yard signs may now be on display in Maury City.

Maury City Elementary School named its “Readers of the Month” for August, based on “having an awesome attitude about reading and learning,” according to assistant principal Kiley Doyle. Each grade level’s readers get to take a colorful yard sign home and display it until the September winners are announced.

The “Readers of the Month” program is sponsored by Save the Children.
