The 2022-2023 Amended Budget reflects the budget as of 08/16/2022

Section 29.081(b-2) of the Education Code requires school districts to identify and budget funds to provide for accelerated instruction to students that have failed to perform satisfactorily on an end-of-course assessment. Included in this budget for adoption is \$30,276 separately identified for this purpose.

Texas Local Government Code requires school districts to reflect in their budget a line items specifically for expenditures to publish statutorily required public notices in the newspaper by the school District. There is \$1,500 specifically budgeted for that purpose in this budget. In addition, the district is to include expenditures for "directly or indirectly influencing or attempting to influence the outcome of legislation or administrative action, as those items are defined in Section 305.002, Government Code in their prospective budgets. Kilgore ISD does not by itself expend any such funds. It does belong to several organizations or associations that expend funds for this purpose. Based on a review of our 2022-2023 payments to known entities having such expenditures, it is estimated that \$5,776 in this budget for such purposes.
