CAMPUS VISIT OPPORTUNITIES

See Us In Action: Enjoy a campus tour and experience Park Tudor firsthand by attending classes and meeting faculty, students, and administration. *See Us In Action* mornings are for parents only. These special events are offered throughout the academic year and are personalized by each age division: Hilbert Center, Lower School, Middle School and Upper School. Please register through your child’s Veracross profile.

Campus Tours: During the admissions season (September through April), we strongly encourage parents to attend our *See Us in Action* mornings as your schedule allows. These events are truly the best way to gain understanding of what Park Tudor is all about. If you are unable to attend a *See Us in Action*, we would be happy to provide a separate campus tour. Please reach out to the admissions counselor in your child’s division to set an appointment.

FINANCIAL AID AND MERIT AID

Tuition: Visit www.parktudor.org/tuition for the latest tuition, financial and merit aid information.

Financial Aid and Merit Aid: Park Tudor celebrates and recognizes the academic achievement of its students. In 2022–23, Park Tudor awarded more than \$4.6 million in financial aid and merit awards to 34% of our student population. In grades 6–12 merit awards range from \$500 to full tuition, with an average award of approximately \$5,400.

Many families would like to provide their children with a private school education but assume they cannot afford it. Many financial aid options including payment plans, need-based financial aid, and merit scholarships, are available to help families make a Park Tudor education more affordable.

Awards are granted to families from a variety of financial backgrounds, including those who may have a high level of demonstrated need and those who may require only minimal financial assistance.

Asking about financial aid options will not hurt your child’s chances of admission to Park Tudor.

Visit www.parktudor.org/admissions to learn about our financial aid partner, Clarity, and explore your options. Park Tudor School follows the NAIS Principles of Good Practice for Financial Aid Administration.
