The entire student body will take the tests on a given day with an adjusted afternoon class schedule. 8th grade science students will take the MCA science test in their science class.

## MCA Testing Information:

Each year, Minnesota Comprehensive Assessment (MCA) tests are given in reading and math to 6th, 7th, and 8th grade students. In addition, the 8th grade only also take an MCA science test. These tests are completed online with students using their iPads to access the test. Generally, DHMS has students complete the reading test first, followed by the math test. For 8th grade students the final MCA science test is usually given in May.

<b>Penny Wars Format:</b> Via DHMS student council, each grade selects a charity for a "loose change" money drive. A unique accounting system adds to a grade level "total" for pennies and paper, but subtracting silver coinage... so silver coins can be used to lower another grade level total.		<b>Dakota Hills Prospective Student &amp; Family Tour</b> (Friday, May 5th at 8:30 AM) These tours are intended for families considering <i>moving into</i> the Dakota Hills attendance area. Since the District 196 (December 15th) deadline for intra-district transfer and the State/MN deadline (January 15th) for inter-district transfer have passed, enrollment at Dakota Hills for the following fall (fall, 2023) will require residence at an address in the Dakota Hills attendance zone in order to enroll a student.			<b>Notes:</b> School Event: Blue State/Fed Event or Holiday: Green Religious/Cultural Event: Red

<b>30</b>	<b>Grade Level Locker Clean-Out</b> This takes place during FLEX time as students downsize items from their lockers. Students will still be able to use their lockers thru June 5th. Final locker clean out will take place at the end of the day on June 5th. All materials are to be emptied from lockers by the end of June 5th.			<b>Note on end-of-year Field Trips:</b> The last day of school is June 5th. This is a day usually used for an end-of-year field trip. End of year field trips may vary or be separate excursions by the different grade levels. As the end of the year approaches, information about the last day plans will be communicated to students and families. Any field trips even being possible are subject to transportation availability, site hours, chaperone restrictions, raincheck capabilities, etc.
