## General Information

### Income Eligibility and Tuition

Cristo Rey Atlanta Jesuit High School is committed to providing an affordable College Prep and Jesuit based education to our students. All students earn approximately 70% of the cost of their education through the Cristo Rey Atlanta Jesuit High School Corporate Work-Study (CWS) Program. The school does require a contribution for tuition from each family. The amount of tuition for each student is determined on a sliding scale based on your family's annual income. For students in the **Class of 2028** and for students transferring in to our school during the **2024-2025** school year, the sliding scale for tuition will range from **\$350 per year (\$43.75 per month) to \$2,500 per year (\$312.50 per month)**.

All students admitted to Cristo Rey Atlanta Jesuit must demonstrate financial need by meeting the income criteria of the Cristo Rey Network, the national organization which sets the standards for Cristo Rey schools. For admissions to the **2024-2025** school year, your family's annual household income may not exceed the amount shown below for your household size.
