## AP Exam Action Steps

- Pivot to Edgenuity for web-based AP courses (French, US Govt Politics, Psychology) when available to provide students access to tutors and a more engaging experience.
- Continue to provide AP Bootcamp in Summer 2024 as it has proven to better prepare students for the rigors of the coursework seeing the increase in 13 courses. Federal Title Monies Grant funded.
- Continue to offer our AP teachers professional development through College Board when available

## WIDA Access 2.0 Assessment for Multilingual Learners (MLs)

- Annually administered to all Multilingual Learners in early spring
- Assess proficiency in English in four domains: reading, writing, speaking, listening
- Overall Score 1-6
- 4.5 or higher is cut score for ESL eligibility

## Aggregated Data for WIDA Access

Subgroups 2023

## WIDA Access 2.0 Action Steps

- Dedicate a certified ESL teacher for each building
- Utilizing Federal Title IIIa Grant Funding for technology devices and tier II level tutoring to support Multilingual Learners
- Analyze domain results to drive instructional decisions in ESL pull out classes.

## NJGPA Overview

- Statute requires the State graduation proficiency assessment to administered to all grade 11 students. (N.J.S.A. 18A:7C-6)
- NJGPA is designed to measure the extent to which students are graduation ready in English Language Arts (ELA) and Mathematics. Cut score is 725.
- Graduation readiness is reported separately for each content component.
- The ELA component is aligned to the grade 10 standards.
- The Mathematics component is aligned to Algebra I and Geometry standards.

## NJGPA Action Steps for 2023-2024

- Support Class of 2024 in demonstration graduation readiness with interventions such as LAL 12, Math 04, Tier 2 Tutoring with Imagine Learning
- Provide Class of 2024 multilingual learners and students with IEPs push in/push out support for English and math
- Implement alternate pathway assessment plan to provide Class of 2024 opportunities to demonstrate readiness.
- Align ELA and Math course curriculum guides to NJGPA expectations as needed
- Use benchmark data (LinkIt) for Class of 2025 to identify students needing support before the NJGPA testing

## NJSLA Spring 2023

- New Jersey Student Learning Assessment (NJSLA) was administered to all students in grades 3 through 9 in English Language Arts and in grades 3-8 for mathematics as well as Algebra I, Algebra II, and Geometry.
- New Jersey Student Learning Assessment for Science (NJSLA-S) was administered to students in grade 5, 8 and 11

## NJSLA Data Action Steps 2023-2024

Provide targeted and consistent professional development for science, ELA and mathematics teachers through NJ Teacher 2 Teacher, For the Love of Literacy, and Dr. Milou.

Revise curriculum guides in math (7th and 8th) to improve alignment to NJSLA 8
Implement benchmarking for science grades 6-12
District Writing Initiative with development of district assessment program through Rutgers partnership

- Implement innovative new programs to increase engagement and performance such as Age of Learning, Edgenuity Courses, Heggerty Phonemic Awareness
Provide Tier 2 tutoring through Imagine Learning for SWMHS identified students
Implement instructional materials in math and literacy academies
