SECTION 2: EMPLOYMENT LAW

2.01 DISCRIMINATION

It is the policy of the Board that no employee shall be subjected to illegal discrimination under any program or activity and in employment. SDJ is an equal opportunity employer. Personnel hiring and administration in the District shall be conducted so as not to discriminate against applicant or employee on the basis of sex or sexual orientation, race, color, national origin, age, religion, pregnancy, marital status, disability or handicap, creed, political affiliation, citizenship, ancestry, arrest record, conviction record not substantially related to the nature of a person's job or activity in the school, membership in the National Guard, state defense force or any other reserve component of the military forces of the United States or Wisconsin, use or non-use of lawful products during non-working hours, or any other reason prohibited by state or federal law.

The SDJ complies with the following laws:

- A. Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin;
- B. The VII of the Civil Rights Act of 1964, which prohibits discrimination in all employment practices on the basis of race, color, religion, sex, or national origin;
- C. Title IX of the Education Amendments Act of 1972, which prohibits employment discrimination on the basis of sex with regard to educational programs or activities and employment practices;
- D. Section 504 of the Rehabilitation Act of 1973, which prohibits employment discrimination on the basis of handicap; and
- E. American with Disabilities Act.

Reasonable accommodations shall be made for qualified individuals with a disability or handicap, unless such accommodations would impose an undue hardship to the District. Employees wishing to apply for such accommodations should contact the District's Benefits Office.

2.02 FAMILY MEDICAL LEAVE ACT (FMLA)

The District complies with all applicable laws concerning family and medical leave (FMLA). Employees may be eligible for leave under both the federal and state family and medical leave laws. There are different eligibility provisions for these laws, different rights under the laws, and different procedural requirements for employees to follow. Medical leaves that qualify under the FMLA will also run concurrently with leaves under short- and long-term disability policies, worker's compensation, and other laws, as applicable and as allowed by law. Employees interested in receiving more information on rights or eligibility or wishing to apply for leave under the Family and Medical Leave Act should contact the District's Benefits Office.

A. BASIC LEAVE ENTITLEMENT

FMLA requires covered employers to provide up to twelve (12) weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care,
- To bond with a child (leave must be taken within one year of the child's birth or placement),
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition,
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job,
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered service member's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

B. BENEFITS AND PROTECTIONS

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

C. ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; * and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

D. REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job

functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide written notice indicating what additional information is required.

E. EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

F. ENFORCEMENT

An employee may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.

2.03 HARASSMENT ([Board Policy 4122 Non-Discrimination and Equal Employment Opportunity](#); [4122.02 Non-Discrimination Based on Genetic Information of the Employee](#); [4362 Employee Anti-Harassment](#))

Harassment and other similar activities that could alter conditions of employment, or form a basis for personnel decisions, or interfere with an employee's work performance are prohibited.

All employees are responsible for ensuring that discrimination and harassment do not occur. It is the intent of the District to comply with both the letter and spirit of the law in making certain illegal discrimination does not exist in its policies, regulations and practices. Anyone who believes that he or she has been the

subject of discrimination or harassment or has knowledge of violations of this policy shall report the matter in accordance with established complaint procedures.

2.04 COMPLAINT PROCEDURE RELATIVE TO EMPLOYEE SEXUAL HARASSMENT ([Board Policy 4122](#) Non-Discrimination and Equal Employment Opportunity)

A. PURPOSE

Employees of SDJ have the right and can expect to work in an environment free of sexual harassment. It is the responsibility of the school administration to provide employees with a working environment free of any form of sexual harassment. All employees are charged with the responsibility of knowing what constitutes sexual harassment and with whom they may seek to file a complaint if desired.

B. DEFINITION

Sexual harassment is an unlawful form of discrimination on the basis of sex under state and federal laws and regulations. Some forms of sexual harassment may also constitute criminal conduct resulting in criminal penalties.

Sexual harassment is defined as, what to a reasonable person would be interpreted as, unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, written, or physical conduct of a sexual nature directed at a person of the same or opposite gender that occurs on school property or at a school- sponsored event. Sexual harassment must include a pattern of behavior that is considered to be severe, pervasive, and objectively offensive. A pattern of severe, pervasive and objectively offensive behavior is established when it is directed more than once at the same employee.

The following circumstances would constitute sexual harassment:

1. When submission to such conduct is made, explicitly or implicitly, a term or condition of employment, instruction, or participation in other school activities.
2. When submission to or rejection of such conduct by an individual is used by the offender as the basis for making personal and/or professional decisions affecting the individual subjected to sexual advances.
3. When such conduct has the effect of interfering with the individual's employment or creating an intimidating, hostile, or offensive working or learning environment. This includes, but is not limited to, repeated deliberate verbal or physical conduct of a sexual nature, that is sufficiently severe to interfere substantially with an employee's work performance or sufficiently severe to create an intimidating, hostile or offensive work environment. This also includes, but is not limited to, unsolicited gestures or comments of a sexual nature, or the display of offensive sexually graphic materials which are unnecessary for business purposes.

Sexual harassment is a form of sexual discrimination in employment: it may be physical, such as, but not limited to, unwelcome touching or interference with movement; verbal, such as but not limited to, epithets, derogatory comments, or slurs; or visual, such as, but not limited to, the display of

derogatory cartoons, drawings, or posters.

C. EMPLOYEE PROCEDURES

1. The policy on sexual harassment and this regulation apply to all sexual harassment incidents involving School District of Janesville employees. The policy addresses a pattern of incidents committed by a person of either sex against a person of the opposite or same sex and establishes that it is against policy and recognizes that it is unlawful for SDJ employees to commit acts of sexual harassment or be subjected to acts of sexual harassment by students or staff members.
2. It is the responsibility of all employees of the SDJ to recognize acts of sexual harassment and take prompt action.
3. Any employee may seek guidance and/or support in addressing matters related to sexual harassment or inappropriate behavior of a sexual nature. The Department of Administrative and Human Services is available for these services.

D. FILING A COMPLAINT

1. Any SDJ employee, who believes that he/she has been subjected to a pattern of sexual harassment by a student or staff member, should report such conduct immediately. A copy of the sexual harassment policy for the SDJ including the Sexual Harassment Complaint Form shall be given to the complainant.
2. The report may be made verbally or in writing.
3. The report may be made to the Director or Assistant Superintendent of Administrative and Human Services, principal, assistant principal, or Title IX Officer for the school district.

E. INVESTIGATING A COMPLAINT

1. Every complaint must be reported to the Director or Assistant Superintendent of Administrative and Human Services either by the complainant or by the person receiving the complaint.
2. The Director or Assistant Director of Administrative and Human Services will, as expeditiously as practical, in writing, notify the person alleged to have committed an act(s) of sexual harassment of the specific allegations. A copy of the sexual harassment policy of the School District of Janesville shall be included with the notification.
3. The proposed timeline for the investigation shall be noted in the letter.
4. Once a verbal or written report has been filed an investigation must be initiated by the Department of Administrative and Human Services possibly in coordination with the Student Services Department. Every effort will be made to conclude the investigation within thirty (30) workdays.

F. INVESTIGATION PURPOSES AND GUIDELINES

The purpose of an investigation will be to:

1. Gather information to determine whether a violation(s) has occurred;
2. Determine what steps are required to stop harassment; and
3. Determine what, if any, disciplinary actions will be taken.

G. INVESTIGATION CONSIDERATIONS

1. The full circumstances of the situation will be considered in the investigation of sexual harassment complaints.
2. In determining whether the alleged conduct constitutes sexual harassment, consideration shall be given to the record of the incident as a whole and to the totality of the circumstances, including the context in which the alleged incidents occurred.
3. An effort will be made to render findings and recommendations within fifteen (15) working days of the conclusion of the investigation. The complainant and alleged harasser will receive written notification of the findings of the investigation.
4. There will be no adverse action taken against an individual for reporting an incident or participating in or cooperating with an investigation of an alleged incident.
5. Confidentiality will be preserved consistent with applicable laws and the SDJ's responsibility to investigate and address such complaints.
6. Any attempt at retaliation by the alleged harasser toward the complainant will be met with appropriate disciplinary action by the building principal or District Administrator/designee.
7. In the event the complainant is a minor, parent(s) will be contacted.
8. Any employee who violates the sexual harassment policy will be subject to disciplinary action. Such action could include but not limited to verbal or written reprimand, professional counseling, reassignment, demotion, suspension, or termination.
9. Investigation findings can be appealed under [Board Policy 4122](#) regarding employee sexual harassment complaints.

H. DISSEMINATION OF INFORMATION

There will be publication and dissemination of information to all SDJ employees that will inform them of the sexual harassment policy, what sexual harassment is, what the individual can do, and where to go for help. Information about sexual harassment will be distributed by the Department of Administrative and Human Services in conjunction with the District Title IX Officer.

SECTION 3: GENERAL EMPLOYMENT PRACTICES AND EXPECTATIONS

3.01 DISTRICT EXPECTATIONS

The District expects its employees to abide by the District's Ethical Code of Conduct. Each employee is expected to review and sign a copy of the Ethical Code of Conduct as part of the hiring process. The employee's signature serves as verification that the employee has read and understands the Ethical Code of Conduct.

Further, the District expects employees to comply with the standards of conduct set out in Board policies, this *Handbook*, administrative regulations, and with any other policies, regulations and guidelines that impose duties, requirements or standards attendant to their status as District employees. Violation of any policies, regulations and guidelines may result in disciplinary action leading up to and including termination of their employment.

3.02 ATTENDANCE

The SDJ places great emphasis on employee attendance. Absences or tardiness places an extra burden on co-workers and undermines the quality of service that is provided to students, parents, community, and other stakeholders. It is each employee's responsibility to be on the job, on time each day, and fully able and ready to work.

Employees are expected to perform all assigned duties and work all scheduled hours during each designated workday, unless the employee has received approval for time off from work (refer to Section 10 of this Handbook for more information about Leaves, Holidays, and Vacations). Any deviation from assigned hours must have prior approval from the employee's Supervisor.

A. UNEXCUSED ABSENCE

An Unexcused Absence is defined as failing to report to work for a scheduled shift or workday without having secured pre-approved leave.

B. TARDINESS

Tardiness is defined as failing to report to work at the scheduled start time of an employee's shift or workday. Tardiness also includes failing to report back to work on time after a scheduled lunch or break period, without having preapproval to report late from one's supervising administrator or manager.

C. REPORTING ABSENCES AND TARDIES

Employees must follow procedures to report absences and/or tardiness to their supervising administrator or manager. Employees should also follow any procedures for securing substitutes for the duration of the absence.

D. LEAVE DURING WORKDAY

Employees must receive pre-approval for mid-day leave.

The District will monitor attendance and tardiness and address problematic patterns with individual employees. An employee who misses two (2) consecutive days of work without approval and/or notification may be considered to have voluntarily quit their job.

3.03 CHILD ABUSE REPORTING ([Board Policy 5451 & Administrative Regulation 5451.1](#))

State law requires that all public-school employees who in the performance of their duties have reasonable cause to suspect a child has been abused or neglected or have reason to believe that a child has been threatened with abuse or neglect and that abuse or neglect will occur, shall make a child abuse or neglect report to the appropriate authorities.

3.04 REPORTING IMMINENT THREATS

State law requires that all public-school employees report to local law enforcement if the person believes in good faith, based on a threat made by an individual seen in the performance of their duties regarding violence in or targeted at a school, that there is a serious and imminent threat to the health or safety of a student or school employee or the public. State law mandates that training related to the reporting of threats of violence be completed within the first six months of employment with a school district and once every five years thereafter.

3.05 COMMUNICATIONS

The SDJ believes that effective communication is a key component in the successful operation of the District. The employee who effectively communicates considers 1) the way in which they communicate; 2) the clarity of the message or information; 3) who is receiving the message; 4) what environment they are in when they are communicating; and 5) the reason behind the communication.

A. ELECTRONIC AND/OR MANUAL BULLETIN BOARDS

Electronic and/or manual bulletin boards will be allowed as a limited forum for employees to post professional development information and other apolitical literature that is directly connected to employment at the District and is consistent with District policy and applicable law. All distributed and posted materials shall always be professional in approach, shall not contain any derogatory comments about staff, parents, students or board members and shall not be in contravention of any District policy or law. The District Administrator will be provided a copy of all posted material at the time of the posting. The District Administrator and/or their designee shall be allowed to remove material from the bulletin board(s) at their discretion.

3.06 COMMUNICATIONS THROUGH ELECTRONIC RESOURCES

A. ELECTRONIC RESOURCES – GENERAL INFORMATION

SDJ provides electronic resources to staff and students, and allows personal devices on selected networks, as a means to further the educational mission, goals, and objectives of the District. These resources include, but are not limited to, Internet access, hardware, software, data, network resources, electronic communication tools, web sites, social media, instant messaging, forums, blogs, and image/video sites. These resources provide access to global information and communication, including research, information sharing, and the exchange of ideas. Access to these resources is a

privilege, not a right; this privilege may be monitored, restricted, or revoked at any time without notice.

B. DISTRICT FILTERING AND LOCAL, STATE, AND FEDERAL COMPLIANCE

While the District believes the benefits and values of broad access to electronic resources far exceeds the disadvantages, some material may be inaccurate, illegal, defamatory, or offensive. To that end, the SDJ complies with all local, state, and federal laws and has taken precautions to filter inappropriate materials so that staff and students are protected within reason; however, the District does not warrant the effectiveness of these precautions.

C. FOUNDATIONAL BEHAVIOR BELIEFS

SDJ's Ethical Code of Conduct serves as a foundational guide to foster and promote appropriate, prudent, and conservative use of electronic resources. District electronic resources may not be used for illegal or unlawful purposes, including, but not limited to copyright infringement, obscenity, libel, slander, fraud, defamation, plagiarism, harassment, cheating, intimidation, forgery, impersonation, solicitation, discrimination, or political advocacy, nor may they be used for personal gain, advocacy, or promotion.

Staff are directed to never engage in inaccurate, offensive, disruptive, or potentially harmful communication or data sharing.

Some examples include, but are not limited to:

1. Data or images that misrepresent accurate, fact-based, provable information;
2. Images that are pornographic, erotic, lewd, or lascivious;
3. Information, images, or instructions related to any aspect of physical harm;
4. Slurs, comments, or innuendoes that focus on age, gender, sex, sexual orientation, race, religious beliefs, political affiliations, national origin, or disabilities;
5. Information or images intended to frighten, intimidate, threaten, abuse, annoy, harass or bullying;
6. Any activities that invade privacy.

D. NETWORK ID AND NETWORK PASSWORD

To protect personal and professional data, all staff will be provided a network ID and password to access electronic resources. At no time, or for any reason, may staff members use another's ID or password, or provide their own ID or password to someone else. It is the responsibility of each staff member to maintain strong and confidential passwords and failure to do so may result in disciplinary action leading up to and including termination of their employment.

Should personal or professional data be compromised, the District will not be liable for any data or information that may become lost, damaged, or unavailable due for any reason. The District is not liable for losses, claims, or demands against the District, or the use of technology resources by any

other party.

It is best practice to change your passwords periodically, as this helps protect your personal and private information. If you have questions about changing your passwords, contact your Innovation Specialist or contact a member of the IT staff.

E. SOCIAL MEDIA

Social Media are defined as, but not limited to, Internet forums, weblogs, social blogs, micro blogging, wikis, social networks, podcasts, photograph, picture, or video sharing sites, ratings and opinions sites, and social bookmarking.

1. PROFESSIONAL USE

The use of social media for professional purposes is encouraged to promote student engagement, provide instructional relevance, and foster communication with students. Staff and coaches may also use social media to support school sanctioned or sponsored student activities. For school sanctioned use, faculty and staff **MUST** use their SDJ e-mail address. For example: A staff member or coach who wanted a professional Facebook account would create an account using their @janesville.k12.wi.us e-mail address. As always, when using social media professionally, comments, posts, and other content must be professional in nature, age appropriate, and in compliance with all Board of Education policies and SDJ Ethical Code of Conduct.

2. SOCIAL MEDIA IN THE CLASSROOM

- Staff should work with their building principal whenever they are considering a new use of social media or digital communication within the classroom.
- Only use your @janesville.k12.wi.us address. This is for your protection and the District's. There are many laws pertaining to public records, and student records, that must be adhered to. Using your District-provided account is required.
- Staff should only use password-protected social media sites available.
- Always use common sense and professional judgement when contacting students through social media.
- Communications must be age-appropriate and related directly to a student's education, participation, engagement, or attendance.

3. PERSONAL USE

Personal use of e-resources and social media on District time should be limited and should not involve more than a trivial amount of one's day. When using social media personally, staff and coaches are expected to exercise prudent and conservative judgment regarding posts, comments, and other content. ***When using social media for personal reasons, no faculty or staff member should "friend" a student for any reason nor should staff or coaches communicate with students or parents through personal accounts.***

If staff use social media on their own time, outside of work, the District will not generally regulate or monitor such conduct. However, the District may choose to monitor staff personal use of social media if (1) the staff member identifies themselves as a District employee or coach, (2) the activities outside of work affect the staff member's job performance or the performance

of other employees and coaches, (3) the social media activities involves District students, and (4) the activity is harmful to the District's interests.

4. GENERAL CONSIDERATIONS

Even with the most stringent privacy settings, when posting online comments that are related to school, students, families, or the district, even in a personal capacity, staff should act as if all comments/postings are in the public domain. Use caution when posting any comments and/or images to the internet that may reflect negatively on the District, or on your professional image. Be advised that failure to adhere to these guidelines may result in disciplinary action leading up to and including termination of their employment.

When using social media for either professional or personal use, employees and coaches need to keep in mind that they are responsible for what they publish with social media tools and should consider the following:

- a. Does what I am publishing represent the permanent digital footprint the District wants to portray to students, colleagues, parents, and community members?
- b. Does my professional or personal use of social media with students maintain appropriate boundaries?
- c. Does your online behavior reflect the same standards of professionalism, respect and integrity as your face-to-face communications?

5. EMPLOYEE PRIVACY WHEN UTILIZING DISTRICT ELECTRONIC RESOURCES

As a condition of use, users understand that they have no expectation of privacy in anything they create, store, send, disseminate, or receive via the school district's technology and networks. ([Board Policy 6724](#))

The District reserves the right to review all data and communications and may exercise that right without notice. The District may choose to use a variety of geo-location software(s) to protect and find lost or missing mobile devices, which may include the use of the asset's internal components, including, but not limited to cameras, microphones, GPS, wireless, etc. Staff are hereby notified that there is no implied or expressed personal or professional privacy when utilizing district electronic resources either from district assets or personal devices on the District's wired or wireless networks. Staff must comply with all local, state, or federal laws, including all policies, administrative rules, and codes of conduct, user agreements, and any other guidelines for professional behavior, regardless of written consent. Failure to follow the procedures and prohibition listed within this document may result in the loss electronic resource access, disciplinary action, employment termination, and/or prosecution.

3.07 CONFIDENTIALITY ([Board Policy 5500 and Administrative Regulation 5500.1](#))

A. CONFIDENTIALITY WITH REGARD TO STUDENTS

The law and respect for our students require that student issues are only discussed with employees and parents who need to know the information.

To protect the confidentiality and proper dissemination of student records, persons who have access to such information as provided by law shall contact the school office in advance for an appointment so that a staff member is available to provide the information requested and so that assigned duties of staff members will not be interrupted.

Primary responsibility for maintaining the confidentiality of student records shall rest with the District Administrator or their designee.

Progress Records shall be maintained confidential except when an adult student or parent or guardian of a minor student shall, upon request, be shown and provided with a copy of such records, or as otherwise permitted by law.

B. GENERAL REMINDERS ABOUT CONFIDENTIALITY

In addition to student information, confidentiality is expected in other areas, including certain employee or District business information and information protected by HIPAA (Health Insurance Portability and Accountability Act). HIPAA is a federal act requiring companies with group health plans to keep all medical records private.

As an SDJ employee you may be exposed to sensitive and/or confidential information and materials from time to time. Some positions require an employee to have access to confidential information on a regular basis. In these cases, information or materials that would be considered confidential will be limited to those who need the information in order to fulfill professional responsibilities. Administrators and Department Managers will communicate guidelines for maintaining confidentiality consistent with the job descriptions of employees under their supervision.

Subsequent to any security or confidentiality breach a thorough review of the incident will occur. Employees who are found to have disclosed confidential materials or information will face consequences that may include disciplinary action leading up to and including termination of their employment.

3.08 DANGEROUS WEAPONS ([NEOLA PO 3217, 4217](#))

3.09 DRUG, ALCOHOL, AND TOBACCO FREE WORKPLACE ([Board Policy 3645, 4132, 4133](#))

The District seeks to provide a safe drug-free workplace for all of its employees.

A. TOBACCO USE

The use of any tobacco products, including papers used to roll cigarettes and/or the smoking of electronic, “vapor,” or other substitute forms of cigarettes, shall be prohibited in all school district buildings, on school district grounds, and in school district vehicles. Employees who violate the District’s Tobacco Use policy will be subject to normal disciplinary procedures.

B. DRUGS AND ALCOHOL-FREE WORKPLACE

The District prohibits the manufacture, distribution, dispensation, possession, use of or presence under the influence of illegal drugs, controlled substances, and/or alcohol by an employee on school property, in District- owned or contracted vehicles, or while engaged in extra duty assignments or

school sponsored activities, or during the workday.

Employees on duty shall not use or take prescription drugs above the level recommended by the prescribing physician and shall not use prescribed drugs for purposes other than those for which they are intended.

Employees shall not dispense prescription drugs to others while engaged in extra duty assignments or school sponsored activities or during the workday unless authorized to do so.

C. DRUG AND ALCOHOL TESTING BASED UPON REASONABLE SUSPICION

Whenever the SDJ, through its administration, reasonably suspects that an employee's work performance or on the job behavior may have been affected in any way by illegal drugs, misuse/abuse of prescription drugs, or alcohol, the employee may be required to submit to drug/alcohol testing.

If an employee who is required to submit to drug/alcohol testing based upon reasonable suspicion and refuses, the employee shall be charged with insubordination and may be subject to disciplinary action leading up to and including termination of their employment.

An employee who tests positive on a reasonable suspicion test will be in violation of this policy and shall be subject to disciplinary action leading up to and including termination of their employment.

Circumstances under which substance testing may be considered include, but not limited to: Observed use, possession of alcohol or illegal drugs, the sale of illegal drugs, illegal use, unauthorized dispensing of, or sale of prescription drugs; apparent physical state of impairment of motor functions; marked changes in personal behavior not attributable to other factors.

D. NOTIFICATION OF CONVICTION

Employees engaged in the implementation of a direct federal grant shall notify the District Administrator or their designee within five (5) days of their conviction for any criminal drug statute violation which occurred in the workplace. 3.10 STAFF ETHICS

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, the Board of Education expects all professional staff members to maintain high standards in their working relationships, and in the performance of their professional duties, to:

- A. Recognize basic dignities of all individuals with whom they interact in the performance of duties;

- H. adhere to the policies of the Board;
- I. refrain from using position or public property or permitting another person to use an employee's position or public property for partisan political or religious purposes. This will in no way limit constitutionally or legally protected rights as a citizen.

3.11 EMPLOYEE IDENTIFICATION BADGES

The District shall provide all employees with an employee identification badge. Employee identification badges are an important part of employee work attire. They allow students, parents, coworkers, vendors, and the public to know who employees are. They are an important part of providing a secure environment for our students. Employees must wear their employee identification badges in a visible spot while on SDJ sites.

3.12 LICENSURE/CERTIFICATION

Each employee who is required to be licensed or certified by law must provide the District with a copy of the current license or certificate to be maintained in his or her personnel file. Employees are expected to know the expiration date of their license/certification and meet the requirements for re-licensure or certification in a timely manner.

3.13 EMPLOYEE DRESS CODE

The professionalism of the School District of Janesville is reflected in the appearance and professional image the employees portray. A professional image is important and requires SDJ employees to maintain standards of dress and appearance appropriate to both the organization and individual position and responsibilities. Dress, grooming, personal cleanliness and professional behavior contribute to the professional image and positive learning environment that we strive to present for our students, parents and visitors. Therefore, SDJ employees are expected to dress in professional attire to best represent our school district.

A. APPROPRIATE ATTIRE EXAMPLES WHEN REPRESENTING THE DISTRICT

Business dress is required for all employees when conducting business with the business community, attending professional or service organizations or attending outside school related appointments such as the Forward Janesville Banquet. Business dress includes: a suit, sport coat or blazer, tie, dress pants, skirts or dresses and dress shoes.

B. DAILY PROFESSIONAL ATTIRE EXAMPLES

Business, business casual or clothing that is appropriate to the day's activities are all acceptable. All clothing must be in good condition without tears, fraying or stains. All personnel working within schools and the administration building during normal operating or instructional hours shall dress in accordance with the following guidelines. These include but are not limited to:

1. Employees shall wear shoes that provide support and protection.
2. Exceptions from the standard dress code will be made for employees in specialized job assignments such as Tech Ed, Art, F.A.C.E., Physical Education, Maintenance, Custodial, Food Service and employees working with very young and/or behaviorally challenged students.
3. Other exceptions may apply and will be considered on a case-by-case basis by the employee's immediate supervisor. Clothing should be clean, in good repair and appropriate to the duties or activities being performed and comply with all OSHA and Health Codes.
4. Other exceptions include school spirit days, designated "casual Fridays" and extreme hot weather. These exceptions are at the discretion of the employee's immediate supervisor.
5. ESC Staff may wear jeans during school year non-student contact days, including winter break, spring break, and conference days.

C. INAPPROPRIATE ATTIRE EXAMPLES

1. Clothing which causes distraction within the learning or working environment is prohibited.
2. Clothing may not be ill-fitting, revealing of undergarments, provocative or ragged.
3. Clothing, jewelry, and personal expressions through body art may not contain offensive comments, inappropriate illustrations, advertisement of drugs and/or alcohol, political views, and any sexual, racial, ethnic, or religious discriminatory suggestions.

C. ENFORCEMENT

1. Schools: Principals shall be responsible for enforcing the standards of professional appearance based on their evaluation whether an employee's appearance adversely impacts the learning environment, school climate, work process, or the site's image in the community. The principal shall determine the appropriateness of apparel for school building employees under these guidelines.
2. Administrative Building: Supervisors shall be responsible for enforcing the standards of professional appearance based on their evaluation whether an employee's appearance adversely impacts the work site's climate, work process, or the site's image in the community. The supervisor shall determine the appropriateness of apparel for school building employees under these guidelines.
3. If an employee is unclear about dress and appearance guidelines, it is the employee's responsibility to consult with their principal or supervisor. If an employee reports to work in questionable attire or appearance, a notification and discussion will occur with the employee to advice and counsel him or her regarding the inappropriateness of the attire. Depending

upon the circumstances, the employee may also be sent home with directions to return to work in proper attire. Absence from work that results from being sent home for a violation of this policy will be unpaid.

Continued or frequent departures from these guidelines will not be permitted and employees who appear for work inappropriately dressed or groomed repeatedly will be subject to disciplinary action leading up to and including termination of their employment.

3.14 PERSONAL RECORDS (Board Policy 4150)

All employees have the right to inspect their own personnel records (excluding exceptions outlined in Board Policy 4150) upon request to the Assistant Superintendent of Administrative and Human Services or their designee.

Personnel records will be made available for inspection in the district's Administrative and Human Services Office during regular working hours. Employees must make their request to view their records at least 24 hours in advance.

3.15 POLITICAL ACTIVITY ([Board Policy 1311](#))

Employees may exercise the rights and privileges of any citizen in matters of a political nature consistent with restrictions as outlined in [Board Policy 1311](#).

3.16 WORKPLACE SAFETY

It is important to the well-being of our students, employees, and visitors that all employees conform to basic workplace safety provisions and to be familiar with building procedures in the event of any emergency such as fire, tornado, intruders, etc. Employees shall report unsafe conditions or practices to their supervisor immediately.

A. EMERGENCY PROCEDURES

Emergency drills are staged regularly in each SDJ building. During these drills every staff member must participate in the drill and follow proper procedures.

At least once each year the building administrator will meet to update staff regarding procedures for emergencies. All employees should make themselves aware of the flipcharts in each room and become familiar with specific incidents, their role in a crisis, and what action needs to take place.

B. FIRE SAFETY

Employees are responsible to know the following:

1. Location of fire alarms;
2. Location of fire extinguishers;
3. Evacuation routes; and
4. Whom to notify in case of fire.

Employees need to take precautions to prevent fires from occurring. In the event of a fire, the most important task is to sound the alarm and clear the building. Employees should not risk their safety in fighting fires.

C. TORNADO

In the case of a Tornado Watch (weather conditions exist which could create a tornado) or Tornado Warning (a tornado has been sighted) employees should respond to the building's alarm for tornado and seek shelter in the designated area immediately. Employees may resume normal activities when the 'all clear' signal has been activated.

D. NOTIFICATION OF SAFETY AND HEALTH STANDARDS

[Wisconsin Statute § 101.055](#) requires the Wisconsin Department of Safety and Professional Services to adopt and enforce safety and health standards that will provide protection to public employees at least equal to that provided to private sector employees under standards promulgated by federal Occupational Safety and Health Administration (OSHA). A District employee who believes that a safety or health standard is being violated, or that a situation exists which poses a recognized hazard likely to cause death or serious physical harm, may request the District to conduct an internal review of the matter. Furthermore, the employee may request the Wisconsin Department of Safety and Professional Services to conduct an inspection.

The District shall not discriminate against or discharge any employee for exercising any right afforded by this section. An employee may file a grievance under [PART ONE, SECTION 5: GRIEVANCE PROCEDURE](#) of this *Handbook*.

3.17 WORK SCHEDULES, HOURS OF WORK, AND OVERTIME

A. WORK SCHEDULES; HOURS OF WORK

Work schedules for employees vary throughout the district. Scheduled hours of work are set by the Human Resource Department under the advisory of administration and department managers. Administration and department managers or their designee(s) will inform employees of their individual work schedules.

B. OVERTIME

Whenever possible it is best to provide a normal scheduled work day and work week for employees. However, from time to time it is necessary to schedule work beyond the normally scheduled work day or work week.

Employees whose job duties qualify them for overtime compensation under the Fair Labor Standards Act (FLSA) will receive 1) time and one-half compensation for each hour worked over 40 in a work week or 2) compensatory time will be comped at time and one half for each hour worked over 40 hours in a work week

Employees who are considered to be exempt are ineligible for overtime payments.

Employees eligible for overtime shall be paid at one and one-half time their regular hourly rate of

pay for all hours physically worked in excess of 40 hours per week. Holidays, vacation, or any other time off whether paid or unpaid shall not count toward determining overtime. For the purposes of overtime, a work week runs from Sunday through Saturday.

The process of scheduling overtime will be determined on a department or division basis. Employees should contact their supervisors to learn how overtime is assigned within their department or unit. An Administrator or Department Manager may, at their discretion, rearrange an employee's schedule to eliminate any overtime liability for the workweek. Employees who work overtime without specific authorization from an administrator or manager will be subject to discipline, up to and including discharge.

3.18 VIOLENCE/BULLYING IN THE WORKPLACE

A. VIOLENT BEHAVIOR

Violent behavior of any kind or threats of workplace violence/bullying, either direct or implied are prohibited on District property and at District sponsored events. The District will not tolerate such conduct in its employees, former employees, contractors, or visitors. An employee who violates this policy may be subject to disciplinary action up to and including termination and may also be referred to law enforcement.

B. PROHIBITED BEHAVIOR

Examples of behavior that are prohibited under this policy include, but are not limited to:

1. Assault or battery.
2. Blatant or intentional disregard for the safety or well-being of others.
3. Commission of a violent felony or misdemeanor.
4. Dangerous or threatening horseplay or roughhousing.
5. Direct threats or physical intimidation.
6. Loud, disruptive, profane or obscene language or gestures that are clearly not part of the typical school district learning environment.
7. Physical restraint, confinement.
8. Possession of weapons of any kind on District property.
9. Stalking.
10. Any other act that a reasonable person would perceive as constituting a threat of violence.

C. REPORTING PROCEDURE

An employee, who is the victim of violence, believes they have been threatened with violence, or witnesses an act or threat of violence towards anyone else shall take the following steps:

1. If an emergency exists and the situation is one of immediate danger, the employee shall contact the local law enforcement by dialing 9-1-1 and may take whatever emergency steps are available and appropriate to protect themselves from immediate harm, such as leaving the area.
2. If the situation is not one of immediate danger, the employee shall report the incident to his or her immediate supervisor or their designee as soon as possible.
3. An employee who has received a court order against an individual, who may impact the employee at work [e.g., verbal or physical contact or proximity has been prohibited or restricted], shall immediately supply a copy of the signed order to their supervisor. The supervisor shall provide copies to the other appropriate supervisors and inform other employees on an as-needed basis.

D. INVESTIGATION AND INVESTIGATION FINDINGS

The District will investigate all complaints filed and may investigate in other situations where no complaint was filed but was brought to the District's attention. Retaliation against a person who makes a good-faith complaint regarding violent behavior or threats of violence made to them is also prohibited.

In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and the investigation but may need to disclose results in appropriate circumstances; (i.e., in order to protect individual safety or to conduct an adequate investigation).

3.19 REQUIRED VEHICLE USE BY EMPLOYEE

Any employee whose job requires them to use their own vehicle for job related purposes needs to have a valid driver's license and proof of current insurance coverage. Employees who regularly drive their vehicle for job related purposes, including those employees who work in multiple SDJ building sites, must provide a copy of their driver's license and proof of current insurance coverage to the Administrative and Human Services Department.

SECTION 4: TRAINING AND DEVELOPMENT

4.01 EXPECTATIONS

SDJ expects that employees will keep abreast of developments within their own area of expertise, keep all certifications current, and participate in their own development throughout their employment with SDJ. This implies that all employees will take an active role in planning their own personal development, participating in required trainings, and engaging in any training and development evaluation processes. Employees can expect that their supervisors will provide support and guidance in relation to the training and development of those reporting to them, particularly in relation to the identification of training and development needs of individuals, teams, and departments.

Should an employee lack the knowledge, the skill or the ability to such an extent that they cannot carry out their duties to the standard required, training and development may be provided in an attempt to improve

performance.

The SDJ will monitor and evaluate training and development activity so as to continually improve the program and the participation of SDJ employees.

4.02 TIME ALLOCATION FOR TRAINING AND DEVELOPMENT

Release time during regular work times and days when school is in session is increasingly difficult; however, whenever it is possible training and development activities that are required by SDJ will usually take place during work time with employees receiving their regular pay during the activity. In these cases, substitutes or other work coverage will be furnished if needed.

Training and development activities that are encouraged but not required may take place during work time or other time outside of usual patterns of work with supervisor approval. Supervisors will work closely with employees to arrange for any substitutes or other work coverage.

SECTION 5: GRIEVANCE PROCEDURE

The purpose of this Section is to provide for an internal method for resolving grievances related to discipline, workplace safety, and termination. A determined effort shall be made to settle any grievance at the lowest possible level in the grievance procedure.

This Employee Grievance Policy and Procedure, as currently drafted, conforms to the requirements of state statutes. Future legislation may eliminate the obligation to adopt such a policy and procedure and/or may modify the requirements for such policy and procedure.

This Employee Grievance Policy and Procedure is intended to apply to all school district employees.

5.01 PURPOSE

The purpose of this Grievance Procedure is to provide a way for employees of the School District of Janesville (employer) to resolve grievances concerning discipline, termination, or workplace safety. The employer believes that it is in the best interests of both employees and employer that all matters in dispute between the employee and the employer first be addressed informally in an effort to resolve them, prior to engaging in this Grievance Procedure.

This Grievance Procedure is intended to comply with [Wis. Stat. §66.0509\(1m\)](#). This procedure does not create a contract of employment and does not change an employee's employment status. Employment disputes that are covered by state or federal statutes and/or administrative enforcement mechanisms are not covered by this Procedure.

5.02 DEFINITIONS

- A. Grievance: means a written complaint related to the discipline or termination of an employee or to "workplace safety."
- B. Days: mean calendar days.

- C. Employee Termination: shall be narrowly construed to mean a separation from employment by the employer for disciplinary or performance reasons. "Employee termination" does not include layoff, failure to be recalled from layoff, furlough or reduction in workforce, administrator or teacher nonrenewal for the purpose of the elimination of a position or a reduction in staff, job transfer, non-disciplinary demotion, reduction in or elimination of position, resignation, voluntary quit, abandonment, end of employment due to disability, retirement, or death, and end of employment and/or completion of assignment of limited term, temporary, seasonal, substitute, or part-time employees.
- D. Employee Discipline: shall be narrowly construed to mean a suspension without pay, or a demotion or reduction in rank, pay, or other benefits, imposed by the employer for disciplinary reasons. Employee discipline does not include oral or written reprimands, performance evaluations, performance improvement plans, termination, non-renewal of teacher contracts under [Wis. Stat. § 118.22](#), non-renewal of administrator contracts under [Wis. Stat. § 118.24](#), layoff, failure to be recalled from layoff, furlough or reduction in workforce, administrative leave or suspension with pay, or any other employment action such as wage, benefit or salary adjustments, or change in assignment, which are taken for a non-disciplinary reason.
- E. Workplace Safety: shall be narrowly construed to refer to (1) an existing condition that substantially endangers an employee's health and safety; or (2) any workplace policy or procedure established by state or federal law or the Board to protect the safety and health of employees in the District which is alleged by an employee to have been violated and to have substantially adversely affected the employee's safety at a District workplace.

5.03 TIME LIMITS

If the grievant fails to comply with any time periods or other procedures of this policy, the grievance will be deemed resolved and the grievant shall have no further right to pursue or appeal a grievance decision. If the employer fails to comply with any time periods or other procedures of this policy, the grievant may advance the grievance to the next level, and there shall be no other consequence or remedy for the employer's failure to comply with any time periods or other procedures. A grievance may be withdrawn by the employee at any time. Once a grievance is withdrawn, it cannot be reopened or refiled. The parties may mutually agree to extend any time deadline. Such extensions shall be non-precedential.

5.04 TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM

Termination of an Employee with a Contract for a Definite Term. The required procedure for terminating an employee where there is an expectation of continued employment because of the existence of a contract for a definite term, a "cause" standard or another basis in law or fact, is as follows:

- A. The District Administrator or designee (or in the case of the termination of the District Administrator, an individual designated by the Board President) shall notify the employee, in writing, that they intend to recommend that the Board terminate the employee's contract and the basis for that recommendation.
- B. The Board shall provide the employee with such due process as is required by law in making its decision on the termination recommendation.

C. In making its decision on the recommendation, the Board shall apply the standard established in the contract for termination of the contract or, if no standard is set forth in the contract, and the employee is not a probationary employee, shall determine whether just cause exists for termination of the contract. “Just cause” shall include, but not be limited to, incompetence or substantial negligence in the performance of job duties or obligation; failure or refusal to perform job duties or obligations; a material violation of state or federal law; violation of Board policies or the employee’s job description; dishonest, immoral, fraudulent or criminal conduct or any similar conduct. In determining whether “just cause” is present, the Board will base its decision on the seven steps of the “just cause” disciplinary standard reflected in [Board Policy 4121](#), as follows:

1. Was the employee forewarned of the consequences of his or her actions?
2. Are the employer’s rules reasonably related to business efficiency and performance the employer might reasonably expect from the employee?
3. Was an effort made before discipline or discharge to determine whether the employee was guilty as charged?
4. Was the investigation conducted fairly and objectively?
5. Did the employer obtain substantial evidence of the employee’s guilt?
6. Were the rules applied fairly and without discrimination?
7. Was the degree or discipline reasonably related to the seriousness of the employee’s offense and the employee’s past record?

If the employee is a probationary employee, and no standard is set forth in the contract, the Board shall determine whether good and sufficient cause exists for termination of the contract. “Good and sufficient cause” includes, but is not necessarily limited to, the factors included under a “just cause” standard. However, in making such determination, the Board need not base its decision on the seven steps of the “just cause” disciplinary standard described above, and shall instead base its decision on whether the administrative recommendation to terminate is based on a reasonable finding of: 1) incompetence or substantial negligence in the performance of job duties or obligations; 2) failure or refusal to perform job duties or obligations; 3) material violation of state or federal law; violation of Board policies or the employee’s job description; 4) dishonest, immoral, fraudulent or criminal conduct; or 5) similar conduct unbecoming an employee of the District.

The Board shall inform the employee in writing, of its decision regarding the termination recommendation. If the employee wishes to appeal the termination decision, the employee must file an appeal requesting an “Impartial Hearing” at **5.05 PROCESS - D.** of this Grievance Procedure by filing a completed grievance form with the Board President within fourteen (14) days of receiving written notice of termination. If no appeal is filed; the Board’s decision shall become final.

D. Non-Renewal of a Teacher or Administrator Contract Governed by [Wis. Stat. §§ 118.22](#) or [118.24](#). The procedures for non-renewal of a teacher or administrator contract set forth in [Wis. Stat. §§ 118.22](#) and [118.24](#), respectively, shall be followed, if applicable. If the Board non-renews the contract of a teacher or administrator for reasons other than the elimination of the position or a reduction in staff, pursuant to [Wis. Stat. §§ 118.22](#) or [118.24](#), and the teacher or administrator wishes to appeal the non-renewal decision, the teacher or administrator may file an appeal requesting an

"Impartial Hearing" at **5.05** PROCESS - D. of this Grievance Procedure by filing a grievance form with the Board President within fourteen (14) days of receiving final, written notice of non-renewal from the Board. If no appeal is filed, the Board's decision shall be final. For non-renewal of non-probationary employees, the Board shall apply the same standard for non-renewal as it would apply for termination of a contract for a definite term. For non-renewal of probationary employees, neither the "just cause" standard nor the "good and sufficient cause" standard apply.

5.05 PROCESS

A. WRITTEN GRIEVANCE SUBMISSION

Only the employee who is subject to the discipline or termination or directly impacted by the issue of workplace safety may file a grievance. The employee must file a grievance within fourteen (14) Days of the date the employee knew or reasonably should have known of the termination, employee discipline or workplace safety issue. The grievance must be in writing on the Employee Grievance Form available from the School District of Janesville Employee Handbook. On the form, the grievant shall: (1) identify the category of grievance (i.e., termination of an employee without a contract with a definite term, discipline, or workplace safety); (2) Describe the attempts to resolve the complaint informally; (3) identify the facts supporting the grievance; (4) specify the policy, rule, regulation, or law alleged to have been violated, and the rationale supporting the grievance; and (5) describe the relief requested. The grievance must be given to the District Administrator. If the grievant is the District Administrator, the grievance must be given to the Board President.

B. REPRESENTATIVES

Any party involved in the grievance may have a representative present at all levels once the grievance has been filed in writing.

C. ADMINISTRATIVE DECISION

The District Administrator shall act on the grievance within fourteen (14) days of receipt of the written grievance, unless the District Administrator is the Grievant in which case the response shall be provided by the Board. The written response shall contain a statement of the basis for the decision to sustain or deny the grievance, and, if denied, the deadline for the Grievant to appeal the grievance to an Impartial Hearing Officer. The District Administrator is encouraged to meet with the Grievant to discuss the grievance.

D. IMPARTIAL HEARING

Impartial Hearing. If the grievant wishes to appeal the administrative decision or Board decision described in **5.04** TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM - A. or B. above, the grievant must file a written appeal with the Board President within fourteen (14) days of receipt of the administrative decision or Board decision, requesting a hearing before an Impartial Hearing Officer ("IHO"). The hearing shall take place within a reasonable time. The IHO shall file a written decision within thirty (30) days after the hearing is concluded, including any post-hearing briefing period, unless the IHO notifies the parties that more time is needed and provides the reasons for the extension. Additional information regarding the Impartial Hearing process is found in **5.06** PROCEDURE FOR IMPARTIAL HEARING - #6. below.

E. APPEAL OF IMPARTIAL HEARING OFFICER'S DECISION

If either party is aggrieved by the decision rendered by the Impartial Hearing Officer, the aggrieved party may file a written appeal with the Board within ten (10) days of receiving the IHO's decision. If no appeal is filed within ten (10) days, the decision of the IHO shall become final. Additional information regarding the Board's review on appeal of an IHO's decision is found in **5.07 PROCEDURE FOR BOARD REVIEW ON APPEAL OF IMPARTIAL HEARING OFFICER'S DECISION** below.

5.06 PROCEDURE FOR IMPARTIAL HEARING

A. STANDARD OF REVIEW

The standard of review to be applied by the IHO to an administrative/Board decision, including a Board decision under **5.04 TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM - A. or B. above**, shall be based on the following:

1. The review of a Board's decision to terminate an employee under **5.04 TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM - A. above**, shall require deference to the Board's decision and be upheld if it has a reasonable basis in fact.
2. The review of an administrative decision to terminate or discipline an employee under any circumstance or to non-renew an employee's contract under **5.04 TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM - B. above**, shall require deference to the administrator/Board decision.
3. Termination of a probationary employee under a contract for a definite term shall be upheld unless the IHO determines that the decision to terminate does not reasonably meet the "good and sufficient cause" standard set forth in **5.04 TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM - A. above**.
4. Non-renewal of a probationary employee under a contract for a definite term and termination or discipline of a probationary employee not under a contract for a definite term shall be upheld unless it is found to be so unreasonable as to be without rational basis or the result of an unconsidered or irrational choice.
5. For non-probationary employees, the administrative/Board decision shall be upheld unless the IHO finds that administration has failed to adequately meet the seven steps of the "just cause" disciplinary standard as set forth in Board Policy 4121 and described in **5.04 TERMINATION OF AN EMPLOYEE WITH A CONTRACT FOR A DEFINITE TERM - A. - #3. above**.
6. The review of an administrative decision concerning a workplace safety grievance shall require deference to the administrative decision and the decision shall be upheld if it is not "arbitrary or capricious," which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.

B. IMPARTIAL HEARING OFFICER

The IHO shall not be an officer, agent or employee of the Board at the time of appointment. The Board shall appoint the Impartial Hearing Officer.

C. IHO RESPONSIBILITIES AND AUTHORITY

The IHO shall do the following:

1. Screen the grievance and determine whether it falls within one of the categories subject to the Grievance Procedure and whether it has been timely filed.
2. Provide reasonable notice to the parties of the time and location for the hearing.
3. When requested by either party, subpoena witnesses as necessary to ensure their testimony.
4. Make evidentiary findings and conclusions. In the case of a grievance related to a termination or discipline, the IHO shall determine whether a full evidentiary hearing is needed to afford the employee the requisite due process, and, if so, shall allow the grievant to present evidence, call and question witnesses, cross-examine adverse witnesses, obtain copies of evidentiary materials and argue his or her case. The rules of evidence shall not apply at any hearing; however, depending on the nature of the hearing, a material fact may not be supported solely by hearsay evidence. Additionally, the IHO may exclude or limit irrelevant, repetitive, or redundant evidence or any evidence lacking probative value. The IHO shall act so as to provide a speedy and inexpensive resolution of any appeal brought before them.
5. If the grievance is sustained, in whole or in part, determine the appropriate remedy, provided, however, that the IHO may not award attorney's fees or litigation expenses against the Board at any time.
6. The IHO shall only consider only the precise issue(s) submitted on the grievance form and letter of appeal, if applicable, shall apply the applicable standard of review, and shall have no authority to determine any other issue.
7. The IHO has no authority to make any decision which requires the commission of an act prohibited by law.
8. The hearing shall be recorded. The IHO shall consider whether to engage a court reporter in lieu of recording the hearing. The grievant may request the opportunity to have the hearing conducted in open session, subject to such other legal requirements relating to confidentiality or privacy which may apply to the subject matter of the hearing.
9. The IHO shall issue a written decision no more than thirty (30) days after the hearing is concluded, including any briefing period, unless the IHO notifies the parties that more time is needed and the reasons therefore.
10. The IHO shall inform the parties that an appeal of the decision may be taken to the Board if filed within ten (10) days of the receipt of the IHO's decision, and that if no timely appeal is filed, the IHO's decision shall become final.

5.07 PROCEDURE FOR BOARD REVIEW ON APPEAL OF IMPARTIAL HEARING OFFICER'S DECISION

SECTION 6: OPERATIONAL REVIEW: CORRECTIVE ACTION/REMEDIATION PLAN, DISCIPLINE AND TERMINATION

6.01 INTRODUCTION

Below are the steps in the School District of Janesville's Operational Review which is used to improve or prevent a recurrence of performance issues and/or unacceptable behaviors.

6.02 REMEDIATION FOR PERFORMANCE

Performance issues will be addressed initially through training, support, and follow up to provide verification that the employee has the knowledge, skills, ability, equipment, and resources to perform up to expected standards. During a remediation plan cycle, the supervisor will review the employee's ability to perform the job at an effective level. If the remediation does not result in improved performance the employee may be reassigned, non-renewed, or terminated.

If it is determined that the performance deficiency is due to lack of effort or poor attitude, then corrective action for unacceptable behavior/misconduct will be implemented.

6.03 CORRECTIVE ACTION FOR UNACCEPTABLE BEHAVIORS

Corrective action is a process for dealing with job-related behavior that does not meet expected and communicated professional behavior standards and behavior expectations as defined by the SDJ's Ethical Code of Conduct and [Board Policies](#). The primary purpose of a corrective action process is to assist the employee to understand that a problem or opportunity for improvement exists. With approval from the Assistant Superintendent of Administrative and Human Services or their designee, corrective action steps may be combined or skipped and the District may terminate an employee at any time, with or without notice or reason.

Step 1: Verbal Warning - This is usually a scheduled meeting with an employee and their supervising administrator or manager. At this meeting the supervisor will bring attention to the existing conduct, attendance, or other issue. Expectations will be communicated. A verification of meeting attendance and that a verbal warning communication took place will be signed by the employee and the supervisor. This documentation will be dated and kept by the supervisor and submitted to the Human Resource Department.

Step 2: Written Warning - A written warning is a formal documentation of any unacceptable behavior. A written warning will be placed in an employee's file. For a serious rule infraction or unacceptable behavior, a written warning may be used as the first disciplinary step. Warnings of all types can accumulate toward the level of consequence for discipline.

Step 3: Suspension(s) - The conduct, attendance or other issue - may be so problematic and harmful that the most effective action may be the temporary removal of the employee from the workplace. Suspensions can also be used as part of the corrective action process. Depending upon the seriousness of the infraction, the employee may be suspended without pay in full day increments consistent with federal, state and local wage hour employment laws. Employees may not substitute or use paid vacation, sick days, personal days or other paid leaves in lieu of the unpaid suspension. Suspension time is dependent upon the circumstances of the situation.

Step 4: Recommendation for Termination of Employment - The last and most serious step in the corrective

action process is a recommendation to terminate the employment.

The supervisor will recommend termination to the Assistant Superintendent of Administrative and Human Services or their designee.

6.04 TERMINATION

Upon receipt of a recommendation for termination, the Assistant Superintendent of Administrative and Human Services will evaluate the information and make a final recommendation on employment termination.

6.05 GRIEVANCE PROCESS

Employees may grieve certain decisions using guidelines found in [PART ONE, SECTION 5: GRIEVANCE PROCEDURE](#) of this *Employee Handbook*.

6.06 DOCUMENTATION

The employee will be provided copies of all corrective action documentation. Copies will also be placed in the employee's official personnel file.

6.07 REPRESENTATION

In the event an employee is called to a meeting with representatives of the District for the purpose of issuing discipline or discharge, or for the purpose of investigating circumstances which may lead to discipline or discharge, the District shall advise the employee of his or her right to representation prior to the meeting if the employee is a paying member of the JEA. It is up to the employee to contact their representative through the JEA.

In the event the employee chooses to have representation, the meeting may be delayed, at the discretion of the District for a reasonable period of time, until appropriate representation may be obtained. Nothing in this provision shall prevent the District from removing an employee from the workplace if immediate action is required.

If no request is made, employee will default to the twenty (20) payroll payment cycle. Such requests shall be submitted to the Administrative and Human Resource Department no later than July 1st of each year.

All school year employees covered under this provision shall have their wages annualized based upon the number of hours worked per day, annual number of days worked, current wage/salary rate, and number of payrolls in accordance with the current payroll issuance dates.

**Funeral/religious observance leave has a maximum of up to four (4) days per occurrence. If more than four (4) days is needed for one occurrence, any days beyond 4 in one occurrence are docked. B. PAID TIME OFF USE

For the purpose of paid time off, family includes spouse, parents, step-parents, grandparents, sons or daughters, stepchildren, brothers or sisters, grandchildren, father or mother-in-law, sister or brother-in-law, daughter or son in-law, foster parent, legal guardian of the employee or employee's spouse, foster child, domestic partner, or a legal ward who is under 18 or who is over 18 but is unable to care for himself or herself because of a serious health condition.

2. Medical or dental appointments that cannot be scheduled outside of the employee's regularly scheduled work hours.

Employees shall make every effort to have personal/family doctor or dentist appointments during off-working hours. If employees must see a doctor or dentist during working hours, they may use partial paid time off days.

Use of paid time off shall apply to new employees starting the first day of their employment or contract, whichever is applicable. Any new employees will be granted paid time off on a pro-rata basis consistent with their fractional employment status. In the event new employees report for work later than the first day of their employment or contract, the paid time off and absence benefits shall begin on that day and shall be pro-rated for the remainder of the year.

Ongoing employees will be able to use their current year's sick leave days prior to earning them.

Paid time off can be used in increments from quarter hours to full days. Days are defined by the employee's regularly scheduled hours of work.

C. REPORTING PROCEDURES – DOCTOR'S CERTIFICATE

Employees will be required to give notice of paid time off to their supervising administrator or manager prior to the paid time off, or as soon as possible. If a doctor or dentist appointment is made during the employee's normal work hours, the employee may be required to present a certificate that is authorized by a medical or dental professional confirming the appointment date/time upon their return to work.

Specific guidelines will be provided to employees from the supervising administrator or manager as to the communication process required for such notification.

D. SICK LEAVE ACCUMULATION

Accumulated Paid Time Off: Unused accumulated paid time off will be banked and can be used for purposes of FMLA leave or an approved non-FMLA medical leave only. Banked paid time off will be used in a "last in, first used" manner.

Sick Leave Accumulated Prior to July 1, 2015

Applicable Only for Employees Who Were Hired and Began Work Prior to July 1, 2015

Sick Leave accumulated prior to July 1, 2015, can be used for reasons of FMLA or approved non-FMLA medical leave of absence only. There is a one time, no cap, on sick leave earned and accumulated between July 1, 2014, and June 30, 2015. Sick time that exceeded the annual accrued caps prior to July 1, 2014, are not counted. Any sick leave prior to July 1, 2015, remaining at the time an eligible employee early retires from the District will be used to extend their early retiree health insurance benefit only. This accrued sick leave is calculated at a rate of \$147 per day. 1 day is equal to 8 hours. The total dollar amount calculated will be converted for additional months of health insurance based on the current rate of the health plan chosen by the retiree at the time of their early retirement from the District. *This procedure was put into place beginning July 1, 2015. Any employee leaving the District or retiring from the District prior to July 1, 2015, will have sick leave accrual procedures using the process in place as of July 1, 2014.*

See [PART ONE, SECTION 14: EARLY RETIREMENT BENEFITS](#)

Sick Leave Accumulated On or After July 1, 2015, All Employees

Sick leave accumulated on or after July 1, 2015, can be used for reasons of FMLA or approved non-FMLA medical leave of absence only. There is no cap on sick leave accumulated after July 1, 2015.

Any sick leave remaining at the time an eligible employee early retires from the District shall be used to extend their early retiree health insurance benefit. This accrued sick leave is calculated at a rate of \$147 per day. 1 day is equal to 8 hours. The total dollar amount calculated will be converted for additional months of health insurance based on the current rate of the health plan chosen by the retiree at the time of their early retirement from the District.

Eligible employees who become eligible to retire on or after July 1, 2018, and do not need the additional months of coverage for purposes of extending early retirement to age 65 or Medicare eligible date, will have their accrued sick leave calculated at the rate of \$147 per day and will apply towards a tax-sheltered account at the time of separation of employment.

E. UNPAID SICK LEAVE

Absences due to reasons described in this section that exceed the employee's available paid time off per year (10 or 12 days) will be unpaid. Employees who show a pattern of exceeding available paid time off that is not covered under FMLA, non-FMLA medical leave, or approved accommodation under ADA guidelines may have their paid time off use reviewed and monitored. Disciplinary action may be taken up to and including termination for continued patterns of exceeding available paid time off.

F. PAID TIME OFF AND VOLUNTARY TERMINATION OF EMPLOYMENT

Should an employee voluntarily terminate their employment with the SDJ and have used more paid time off than earned on a pro rata basis, the SDJ is authorized to withhold from the employee's last check such sum as may be due to the Board for the use of sick leave in excess of the paid time off the employee has earned.

G. Work Related Injury or Illness

See [PART ONE, SECTION 9: WORKER'S COMPENSATION](#) of this *Employee Handbook* for information regarding Worker's Compensation.

10.02 PERSONAL LEAVE

A. PERSONAL LEAVE DAYS

Each regular employee shall be able to use two (2) personal days annually out of their Current Year Sick Leave allocation. A "day" for the purpose of personal leave is equal to the employee's regularly scheduled hours of work.

B. PERSONAL LEAVE USE AND NOTIFICATION

Personal leave may be granted without regard to justification. To protect SDJ's workload and service to students, a written notification must be submitted to the employee's supervising administrator or manager no less than two (2) working days in advance of the date of the requested leave. Once received, the request will be reviewed, and notification of approval or denial will be given to the employee. An employee may be subject to discipline if he/she takes a personal leave without receiving notification of approval.

The exception to the above notification and approval process is when a personal leave is being used for an emergency. In case of emergency, the employee may be required to provide proof of emergency to the employee's supervising administrator or manager.

Personal leave cannot be used to participate in activities designed to embarrass or discredit the District.

Personal Leave may only be taken when an employee has the time available in their current year sick leave allocation ([PART ONE, SECTION 10: PAID TIME OFF 10.01](#)). If an employee does not have time available, the request will be denied. Employees may not take Personal Leave as unpaid when current year sick leave is not available.

Each building and/or department will develop and communicate a maximum number of personal leave days which may be approved on any given workday.

Personal Leave can **only** be taken as a full or half day.

C. PERSONAL LEAVE ACCUMULATION

If any of the specified holidays fall on a Saturday or Sunday, employees shall receive another day off during the week as specified by their calendar.

If any paid holiday becomes a scheduled workday, the earned holiday will be added to the employee’s annual vacation or converted to a personal day subject to the District’s regulations guiding vacation and personal day use.

If an authorized holiday falls within an employee’s paid vacation period that day shall not count as a vacation day.

10.4 PAID VACATION

Employees shall be allowed to schedule their vacation at any time throughout the year (July 1 through June 30). Requests for vacation time shall normally be made in writing to the employee's supervising administrator or manager at least ten (10) working days in advance of the start of the vacation. For purposes of this policy, serious health conditions or disabilities include inpatient care in a hospital, hospice, or residential medical care facility, and continuing treatment by a health care provider.

Employees are encouraged to contact the District's Office of Administrative and Human Resources for information regarding eligibility for FMLA or refer to [PART ONE: SECTION 2.02 FAMILY MEDICAL LEAVE ACT](#) of this Employee Handbook for more information on FMLA.

SDJ provides medical leaves of absence without pay to eligible employees who are temporarily unable to work due to a serious health condition or disability and who have applied for but do not qualify for leave under the Family Medical Leave Act (FMLA). For purposes of this policy, serious health conditions or disabilities include inpatient care in a hospital, hospice, or residential medical care facility; and continuing treatment by a health care provider.

Employees in the following employment classifications are eligible to request medical leave as described in this policy:

- Regular full-time employees
- Regular part-time employees

Eligible employees should make requests for medical leave to the District's Benefits Office at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. In order to request leave, employees should complete the [Affidavit and Application for Medical Leave of Absence](#) and return it to the District's Benefits Office.

A health care provider's statement must be submitted verifying the need for medical leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to the District's Benefits Office. Employees returning from a consecutive medical leave must submit a health care provider's verification of their fitness to return to work.

Eligible employees are normally granted leave for the period of the disability, up to a maximum of 6 weeks within any school year. Any combination of medical leave and family leave may not exceed this maximum limit. If the initial period of approved absence proves insufficient, consideration will be given to a request for an extension. Employees who sustain work-related injuries are eligible for a medical leave of absence for the period of disability in accordance with all applicable laws covering occupational disabilities.

Subject to the terms, conditions, and limitations of the applicable plans, the SDJ will continue to provide health insurance benefits for the full period of the approved medical leave.

So that an employee's return to work can be properly scheduled, an employee on medical leave is requested to provide the District's Benefits Office with at least two weeks advance notice of the date

the employee intends to return to work. When a medical leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified.

If an employee fails to return to work on the agreed upon return date, and has not provided a request for extension, the SDJ will assume that the employee has resigned.

Employees are responsible for paying their portion of the health care premium during a non-FMLA medical leave. Should the employee exhaust all accumulated sick days while still on a non-FMLA medical leave, the District will continue paying the benefit premiums up to a maximum of three (3) months. Thereafter, the employee will be responsible for the full premium up to the end of their non-FMLA medical leave. If the employee is unable to return to work at the end of the medical leave, it is assumed that they have resigned from their position.

The Janesville Board of Education provides eligible early retirees and their dependents the option of remaining in its health benefit plan under the following conditions:

1. ELIGIBILITY

The requirements as outlined in [Board Policy 4500](#) must be met.

2. BENEFITS FOR EMPLOYEES RETIRING AT AGES 55 THROUGH 64

The Board will pay the Board's share of premium equivalents for active employee coverage of health/drug and dental insurance through the last day of the month in which a year-round employee retires; through August of the year in which a school year employee who finishes the school year retires; or through January for an employee who retires at the end of the first semester. The employee will continue to pay the employee's share of premiums during this time.

Upon termination of the active employee health/drug and dental benefits described above, the early retiree has the option of remaining in the school district's group health plan, as part of the early retiree group.

Health and prescription drug plans for the early retiree group are the same as those offered to active employees, except as otherwise noted in individual early retiree agreements.

Dental coverage is not provided as part of the early retiree benefits, except as otherwise noted in

individual early retiree agreements.

The Board will pay the Board's share of the early retiree's health and drug benefits for a maximum of 96 months or through the month in which the retiree turns 65 or becomes eligible for Medicare, whichever occurs first. The early retiree will pay a premium share equivalent to the active employee premium share, including any premium share surcharges, unless otherwise noted in individual early retirement agreements. Premium share rates will be adjusted annually.

At the time the early retiree's Board sponsored benefits end and the early retiree has not reached Medicare eligibility or age 65, early retirees have the option to continue their enrollment in the early retirement health and drug group plan as a direct-bill early retiree. Once an early retiree turns 65 or becomes Medicare eligible, they are no longer eligible to participate in the District's early retiree health plan.

The early retiree and eligible dependents may continue coverage when the early retiree terminates active employment. No new dependents may be added for an early retiree after they enroll in the early retiree group health plan.

If the early retiree dies, the following conditions must be met in order for a spouse and/or eligible dependents to remain in the group health benefits program:

- a. If the school district has been paying the full or partial premium for the early retiree's coverage at the time of death, the Board will continue to pay the premium share for three (3) months. If the early retiree's death occurred before the 15th of the month, that month will count as the first of the three (3) months. After the three- month period, the surviving spouse and eligible dependents will be offered continued coverage through COBRA.
- b. If the early retiree dies while paying their own premium through direct bill, the surviving spouse and eligible dependents will be offered continued coverage through COBRA.
- c. A surviving spouse who remarries and qualifies for coverage under the new spouse's health plan will no longer be eligible to remain in the school district's retiree benefits group. They and other eligible dependents who had been retained under the surviving spouse's contract will be offered continued coverage under COBRA regulations.
- d. A surviving spouse who is employed or accepts employment and is eligible for coverage under their employer's health benefits plan will not be eligible to remain in the school district's early retiree benefits group. Eligible dependents who had been covered under the school district's plan will be offered continued coverage under COBRA regulations.

If the early retiree, at the time of retirement, is covered by the school district's group life insurance plan and meets the requirements of the group plan for continued coverage, the Board will pay for the level of coverage in effect at the time of their retirement for the same time period specified in A (above). Thereafter, the early retiree will pay their own premium until Medicare eligible age, at which time the District will again pay the group life insurance premiums.

C. REGULATIONS GOVERNING RETIREE HEALTH BENEFITS

Applicable premium shares or surcharges for health coverage will be paid on a monthly basis through automatic withdrawal from a checking or savings account.

The early retiree agrees to be fully responsible for fulfilling all terms of eligibility required by the insurance contracts and benefit plans and to adhere to all of the program's rules and regulations.

It is the responsibility of the early retiree to notify the District's Administrative and Human Services Department of any changes in coverage, such as family plan to single plan.

The early retiree accepts any changes in the plan which coincide with changes in the active employees' plan.

The early retiree's coverage is subject to termination if premium share payments or full premium for self-payees is delayed beyond a 30-day grace period.

SECTION 3: PROFESSIONAL DEVELOPMENT AND TRAINING

3.01 INTRODUCTION

“Our students need us to be at our best. And for our own sanity and success, we need to pursue relevant, meaningful learning that empowers us to thrive as educators.” – Rick Czyz

Effective professional development helps teachers continuously improve and perfect their craft to meet the needs of their students. This includes coaching over an extended time, the use of data teams, a focus on how students learn, and teachers working collaboratively.

The School District of Janesville recognizes that Professional Development must evolve in the same ways that classroom instruction is shifting. Engaged and empowered students have engaged and empowered teachers. To support this goal, educators in the SDJ will participate in a variety of District directed and self-selected professional learning opportunities designed to support District Promises, their growth as educators and student achievement.

3.02 NEWLY HIRED LICENSED PROFESSIONAL STAFF

All newly hired certified staff will be required to attend New Teacher Institute during the first year of employment. The institute is offered during the summer. New staff will receive 15 hours towards professional development hours as outlined in the salary schedule.

3.03 PROFESSIONAL DEVELOPMENT AND TRAINING/NEW AND CURRENT PROFESSIONAL LICENSED STAFF

All Professional Licensed Staff will participate in scheduled professional development activities including, but not limited to: beginning of the year work days, designated Professional Development days (as indicated on the District calendar), and after school professional development meetings scheduled by district administration. These scheduled professional development opportunities take place during the normal work calendar and are in addition to professional development hours required for salary advancement.

3.04 STAFF RESPONSIBILITIES REGARDING PROFESSIONAL DEVELOPMENT

Staff are responsible for signing up and submitting requests in My Learning Plan prior to the date of the event. All out of district requests must be pre-approved by an SDJ administrator.

Professional development costs are the responsibility of the individual employee. Any exceptions would be determined by a district department director.

Presenting at Out-of-District Events

Staff are required to obtain prior approval from their supervisor before submitting a conference/workshop proposal that takes place during the school year/contract hours.

SECTION 4: VACANCIES, ASSIGNMENTS, AND TRANSFERS

4.01 INTRODUCTION

The District reserves the right to assign or transfer Professional Licensed Staff.

Postings are also available on the WECAN website (<https://wecan.waspa.org/>) and the district website (<https://www.janesville.k12.wi.us/>) Application deadlines, job qualifications, and other pertinent information will be included in the job posting. Vacancies will be posted for 7 calendar days.

Internal applicants are not allowed to apply for a vacancy if they are on an active discipline or corrective action plan.

4.03 ASSIGNMENT CONSIDERATION/VOLUNTARY TRANSFER REQUEST

Professional Licensed Staff may express in writing an assignment consideration. Staff may make this request to their building principal or directly to the Assistant Superintendent of Administrative and Human Services if they wish to keep their request confidential, to the extent permitted by law. All written requests for assignment consideration for the following school year should be submitted between January 1 and March 15. Professional Licensed Staff must be qualified for any requested assignment.

Submitting a request is not a guarantee that a staff member will have their request filled.

4.04 TRANSFERS

When the District determines that a transfer is necessary, the transfer assignment will be at the discretion of the District. The Assistant Superintendent of Administrative and Human Services will consider staff requests that have been properly submitted. Only staff that are qualified for the open position will be considered for transfer.

The SDJ will make every attempt not to transfer (involuntary transfer) a Professional Licensed Staff two (2) years in a row. However, consideration for a voluntary transfer will be given to a staff member in the second year if the staff member is requesting a transfer back to a previous school.

SECTION 5: REDUCTION AND/OR ELIMINATION OF POSITIONS

The SDJ may determine, in its discretion, that it is necessary to non-renew or terminate personnel in order to reduce the number of positions or the number of hours in positions, to eliminate positions as part of reorganization, or to reduce the number of personnel or their work schedules or hours in other circumstances. In such cases the following sections will apply.

5.02 NOTICE OF REDUCTION OR ELIMINATION

The SDJ will provide preliminary and final notices of nonrenewal to full-time teachers in accordance with [Wis. Stats. 118.22](#). The preliminary notice of non-renewal shall advise the full-time teacher of the right to a private conference under [Wis. Stats. 118.22](#), concerning the proposed reduction or elimination. Professionally licensed staff that are not full-time contracted personnel and that therefore are not covered by the renewal/non-renewal process in [Wis. The District recognizes that any reduction in staff or in staff schedules or hours involves unique circumstances. Accordingly, no single criterion or criteria is/are necessarily germane to every situation and the weight given to the following and/or any other criteria (if any) may vary from one situation to another. Nevertheless, the following criteria may be considered as part of the selection process:

- A. Attrition: Consideration of any normal attrition resulting from employees retiring or resigning.
- B. Employee Performance: Consideration of performance concerns.
- C. Licensure and Other Qualifications: Consideration of the licenses that staff hold and/or other qualifications of staff, including but not limited to:
 - Foreign Language (Bilingual Certification)
 - 316-317 license (reading)
 - Special Education Licensing
 - EL Licensing
- D. Seniority within the School District of Janesville.

5.04 REEMPLOYMENT PROCESS (SEE BELOW FOR ALTERNATE LANGUAGE)

If professionally licensed staff members (“Employees”) have been non-renewed or laid off for reasons not related to performance, these employees shall be placed on a Recall List for a period of 12 months. The 12-month period on the Recall List shall begin on May 15 of the year the Employee was non-renewed or laid off for reasons not related to performance. The Recall List shall not be retroactive for Employees non-renewed prior to the effective date of this policy. Employees shall notify the District if they become unavailable for recall at any time on the Recall List.

Employees shall keep a current e-mail address on record with the District’s Human Resources Department. The District will provide e-mail notice to all Employees on the Recall List for every posted vacancy listed on WECAN by the District. It is the Employee’s responsibility to notify the District if they are interested in exercising their recall rights pursuant to this policy. Employees shall apply for the position on WECAN as an “Internal Candidate” by the deadline date for the posting.

If the Recall List contains only one Employee that maintains the proper certifications and applies for the vacancy by the deadline date, the Employee and the Principal of the school the vacancy is in shall hold a “Best Fit Interview.”

The purpose of the Best Fit Interview is to allow the Employee to understand the teaching assignment and begin relationship building to ensure the Employee remains interested in the vacancy. The Principal cannot deny access to the vacancy to the Employee following the Best Fit Interview, and the Employee shall be hired if their desire for the vacancy remains after the Best Fit Interview.

If the Recall List contains two or more Employees that maintain the proper certifications and apply for the vacancy by the deadline date, there shall be a competitive interview process between the eligible Employees. In hiring an Employee to fill the vacancy, the District may consider past employee performance, licensures and other qualifications, the results of the interview, and seniority.

If an employee has been recalled by the District within the 12-month time frame starting May 15 during the year of notice of non-renewal and ending May 14 of the following calendar year, the Employee's accumulated sick leave and years of service that accrued prior to non-renewal or layoff will be restored and may be used in accordance with the salary or regular hourly wage of the employee's position after the employee has been rehired.

SECTION 7: SUPERVISION AND EVALUATION OF PROFESSIONAL LICENSED STAFF

7.01 SUPERVISION AND EVALUATION ([BOARD POLICY 4231](#))

The Board considers evaluation, including classroom visitation, of professional licensed staff to be one of the responsibilities of the principals, administrators, and other persons charged with visitation and evaluation responsibilities.

Evaluations shall be conducted consistent with the Educator Effectiveness system, legal requirements, and this Employee Handbook.

7.02 SUPERVISION AND EVALUATION OF LICENSED STAFF

During the 2013-14 school year all school districts in the State of Wisconsin implemented the State Educator Effectiveness process as detailed by Wisconsin Act 166 (March 2012). The School District of Janesville will be using the CESA 6 equivalency model to comply with Act 166. In this model, staff will participate in at least one announced 45-minute observation and three 15-20-minute unannounced observations during a three-year period.

Staff members will be rated in one of four categories. They include the following:

- Distinguished;
- Effective;
- Developing/Needs Improvement;
- Unacceptable

All new staff (those in their first two years of their employment) will receive a mid-year interim assessment to provide systematic feedback prior to the final summative review.

The Summative Assessment will be written at the end of the 3-year cycle and be based on the performance standards of the Effectiveness Project and from multiple data sources. Supervisors will use the Summative Performance Report to rate and detail progress of the staff member based on goals and observations consistent with the plan.

Each professional educator may keep a current electronic Documentation Log as detailed in the Effectiveness Plan.

The Effectiveness Plan is currently divided into three areas. They include:

- Teacher;
- Educational Specialist;
- Principal/Administrator.

Each group has a comprehensive handbook that details the forms and processes that will be followed for evaluation. The Educational Specialist group involves school counselors, school nurses, school psychologists, social workers, student service specialists, innovation specialists, library media specialists, academic learning coaches, behavior intervention specialists, occupational therapists, physical therapists and speech and language pathologists.

In addition, the district reserves the right to gather employee performance data through observations, interviews, student surveys, and electronic recordings. These data sources will be used to compile formative and summative evaluations.

SECTION 8: PROFESSIONAL LEAVES

8.01 EXCHANGE TEACHER LEAVES ([Board Policy 4257](#))

An unpaid leave of absence for up to one year may be granted under an exchange teacher program, whereby a teacher from another country or another school system and Janesville teacher exchange positions for one year. No more than two such exchanges shall be granted in any one year. Conditions for such a leave are outlined in [Board Policy 4257](#).

8.02 SABBATICAL LEAVE ([Board Policy 4258 & Administrative Regulation 4258.1](#))

The Board of Education has authorized a maximum of one, one-year sabbatical per year. Sabbaticals may also be granted for shorter periods of time. Sabbatical leaves will be reviewed in conjunction with internship requests. As the total of the two must not exceed the cost impact of the salary and fringe benefits of one long-term substitute teacher per year.

PART 3 – CLASSIFIED STAFF

SECTION 1: DISCIPLINE AND TERMINATION

1.01 INTRODUCTION

Refer to [PART ONE – SECTION 6](#) of this *Employee Handbook* for information regarding corrective action process and termination of classified staff.

SECTION 2: HOURS OF WORK AND WORK SCHEDULES

2.01 INTRODUCTION

This section shall not be construed as a guarantee or limitation of the number of hours per day or hours in a work week which may be scheduled or required by the District.

The District has the right to set the schedule of hours to be worked.

2.02 REGULAR HOURS OF WORK

A. All Classified Staff

The district expects all staff to work a set number of hours per day for 5 consecutive days each week.

B. Maintenance, Custodial and Food Service Staff

Maintenance/custodians are on call in case of an emergency and may be called in on off hours if certain work cannot be done during the regular workday.

Scheduled hours for Food Service may vary according to the number of meals served.

2.03 LUNCH PERIODS AND OTHER BREAK TIMES

- A. Specific time and place for breaks are determined by the supervising administrator, manager, or their designee
- B. Full time employees have one (1) 15-minute paid break and one (1) 10-minute paid break during each work shift.
- C. Part time employees working 4 or more hours per day shall receive one (1) 15-minute paid break during their shift.
- D. Lunch Breaks

Because of different schedule requirements, employees' lunch and break times may vary for different assignments and locations. Full time employees will be given a 30 - 60 minute unpaid lunch break that is not part of the daily work schedule. It is up to the discretion of the building principal/supervisor to schedule part-time employees for an unpaid lunch, though it is not a requirement. The scheduled lunch breaks can range from 30-60 minutes.

Paraprofessionals who accompany students on field trips should make arrangements with the supervising teacher regarding time and location of their lunch and break. If a paraprofessional is unable to take a duty-free lunch or break time because of the nature of the field trip/responsibilities, they should report this to their principal. The principal will then make arrangements for an ERT (Early Release Time) on a non-student attendance day. However, all reasonable attempts should be made to take lunch and break times during the field trip.

2.04 FLEXIBLE SCHEDULING DURING WORK WEEK

Should an employee be required to start his shift early because of an emergency condition, they may be able to leave earlier than their assigned end time with the permission of their supervising administrator or manager.

A change in an employee's weekly work schedule may be made by the employer (supervising administrator or manager) subject to consultation with the employee.

2.05 REDUCTION IN SCHEDULED HOURS

Employees who are reduced in hours shall not lose any sick leave and/or vacation earned as an employee. Employees who have had sick leave/vacation allocated may see an adjustment in allocation to reflect their fractional employment status.

2.06 ATTENDANCE AT MEETINGS

Administration and Department Managers will make efforts to schedule required meetings during normal working hours. If a required meeting is held during non-work hours an employee can accumulate the time and use it to take time off during that fiscal year. The accumulation will be hour for hour unless the time puts the employee into overtime at which time one hour equals one and a half hours of flex time. In the event of overtime, the employee also has the option to be paid for the time at a rate of 1.5 times their hourly rate by submitting timesheets to their manager. Flex time must be taken on a non-student contact day and be approved in advance by the employee's manager.

2.07 EMERGENCY SCHEDULING

A. Snow Plowing, Other Emergencies Outside Regular Hours

Maintenance or Custodial staff may on occasion be called in for emergency situations such as snow plowing, electrical outages, water main breaks, etc. When a Maintenance or Custodial staff is called in for such emergencies outside their regular scheduled hours, the employee will receive a differential in pay, but only for the hours worked outside their regular scheduled time. Any work hours accrued over 40 hours in one week will be paid at the regular overtime rate. ([PART THREE – SECTION 3: OVERTIME](#)).

If a staff member is called in on an emergency during a vacation, personal day or holiday, they will be able to reschedule any lost time.

2.08 DIFFERENTIAL PAY FOR CLASSIFIED STAFF

Employees who substitute in a different assignment will not lose night differential premium if their normal assignment is eligible for it. All classified employees will be paid one- and one-half times their regular hourly pay in excess of forty (40) hours per week. For the purposes of overtime, a work week runs Sunday to Saturday. Sick time used whether paid or unpaid, shall not count toward determining overtime. Time over forty (40) hours worked per week therefore does not include sick, vacation, holiday or personal leave time.

All overtime must be approved by the supervising administrator or manager in advance of working the overtime hours.

3.02 OVERTIME ASSIGNMENTS

Non-emergency scheduled overtime assignments will be filled using volunteers first, with as much notice as possible, and if insufficient volunteers are found, the work will be assigned to a qualified employee as determined by the supervising administrator or manager. Selecting volunteers will be done using a rotating basis within the applicable job classification. An employee can choose to volunteer or not when they are next in the rotating cycle. Once an employee accepts or declines an overtime assignment they go back to the end of the list. Emergency overtime assignments shall be assigned at the discretion of the supervising administrator or manager.

SECTION 4: TRAINING AND DEVELOPMENT

4.01 INTRODUCTION

SDJ expects that employees will keep abreast of developments within their own area of expertise, keep all certifications current, and participate in their own development throughout their employment with SDJ. Supervising administrators and managers will provide support and guidance in relation to the training and development of those reporting to them.

Should an employee lack the knowledge, the skill or the ability to such an extent that they cannot carry out their duties to the standard required, training and development may be provided in an attempt to improve performance.

The SDJ will monitor and evaluate training and development activity so as to continually improve the program and the participation of SDJ employees.

4.02 TIME ALLOCATION FOR TRAINING AND DEVELOPMENT

Release time during regular work times and days when school is in session is increasingly difficult; however, whenever it is possible training and development activities that are required by SDJ will take place during work time with employees receiving their regular pay during the activity. In these cases, substitutes or other work coverage will be furnished if needed.

Training and development activities that are encouraged but not required may take place during work time or

other time outside of usual patterns of work. Supervisors will work closely with employees to arrange for any substitutes or other work coverage.

SECTION 5: VACANCIES, ASSIGNMENTS, TRANSFERS

5.01 INTRODUCTION

The District reserves the right to assign or transfer all employees. Assignments and transfers may involve a change in hours or pay rate.

5.02 VACANCIES

Internal applicants are not allowed to apply for a vacancy if they are on an active discipline or improvement plan or have not been in their current position for a minimum of 90-days. Any exceptions must be approved by their supervising administrator or manager.

5.03 SELECTION PROCESS

The SDJ fosters and encourages the promotion of qualified employees. Job experience, skill level, aptitudes, as defined by the Ethical Code of Conduct, are the primary factors for any promotion, assignment or transfer.

Administration and/or management may choose to engage in a peer interview process to fill vacancies.

5.04 30- AND 90-DAY REVIEW FOR NEW AND PROMOTED EMPLOYEES

Supervising administrators and managers will conduct a 30-day and 90-day interview with all new employees, reassigned, and promoted employees. The 30- and 90-days are workdays.

5.05 ASSIGNMENTS

Work schedules and assignments are established by the administration and/or management. Requests for reassignments or transfers can be submitted to the employee's department supervising administrator or manager for consideration. These requests may be submitted at any time. Should an assignment or reassignment require additional or specific training and development, the School District of Janesville may consider providing the training to the employee.

Employees who are on a corrective action plan are not eligible for a transfer or reassignment unless it is part of the remediation.

5.06 SEASONAL ASSIGNMENTS

School year employees desiring work during the summer should indicate in writing to the Human Resource

Department by March 1 that they are interested in summer work. Each employee making a request will be notified in writing by May 15 if summer work will be available. Seasonal pay rate will be determined by job.

SECTION 6: RESIGNATIONS

6.01 INTRODUCTION

Resignation is a voluntary termination of employment initiated by the employee.
