PTA NEWLETTER  
DECEMBER 2018

## PTA News

### Community Action Food Walk

Abraham Wing collected 400+ pounds of non-perishable food items during the month of November. On the 19th, students took their annual school-wide walk to Community Action to help support our community during a time when some need it most.

### Thunder Hockey Players Visit Abe Wing

Some of the Adirondack Thunder Hockey team and their mascot Gunnar visited the students to discuss community, goal setting, health and fitness. Students were given free admission vouchers for 12/15 game.

### Sky Zone Fundraiser

Students had a great time jumping at Sky Zone! Over 60 kids showed up and \$300 was raised for the playground fund. We are looking to schedule another Sky Zone fundraiser in 2019.

### Parents Night Out

During November's PNO, a small group of parents baked up some delicious brownie toffee trifles and took home a beautiful trifle dish.

### Secret Santa

The week of 12/10 - 12/17 students will be able to purchase items from the Secret Santa table. Paperwork will be sent home to set their spending limits and recipients.

### Spirit Wear

Abraham Wing apparel ordered through Hallwear in November will be delivered the week before Winter Break.

### Loose Change Wednesdays

Students will decorate a coffee can and are encouraged to bring in any loose change on Wednesdays to raise funds towards a new playground.
