PROFESSIONAL DEVELOPMENT PROGRAM

Best Practices for High-Impact Learning ***Presented by Ed Dougherty***

In this session, we'll dive into some best practices for delivering engaging and impactful learner-centered experiences and assessments. We will explore what is working and ways that we can improve engagement, instruction, and checking for understanding with your students. You'll take away tools, strategies, and techniques you can use right away in your classroom. We will discuss ways that you can differentiate learning for your students in path, place, time, and pace using Google Workspace and other digital tools.

- Leverage best practices for delivering engaging and impactful learner-centered experiences and assessments
- Increase student engagement by differentiating learning for your students in path, place, time, and pace using digital tools.
- Implement new pedagogical ideas to check for understanding and utilize data to support instructional decisions.
