WHAT DO WE HAVE?

ALL DAY DINING

We cater to all appetites and schedules, opening from 7:30 am to 4:00 pm. Start the day with a hearty breakfast of bagels, pancakes, fresh juices, and more. Enjoy wholesome lunches, take advantage of our snack options, or grab a refreshing juice from our juice bar.

FOOD, FUN, AND EDUCATION

Our canteen is more than a place to eat; it's a learning hub. We create an atmosphere that encourages socializing and bonding. Smaller kids can explore and select their food playfully, enhancing their understanding of nutrition. For an interactive treat, watch our pancake making machine in action!

PARENT POWER

Parents, your involvement can make our canteen even more special! Spend a day sharing recipes, gardening or assisting over lunchtime, and witness the joy it brings to our young diners. The cherry on top? Your kids will receive free meals on your volunteer day, and you get a glimpse of their exciting school life. Together, let's create delicious memories!

GARDEN-TO-TABLE JOURNEY

Cultivating curiosity and care for nature, our canteen integrates gardening into daily practices. Our onsite garden enriches students' grasp of food, ecology, and sustainability, demonstrating the journey from seed to delicious plate.

ABOUT US

Welcome to our Canteen, where health, taste, and education unite. Our menu explores a world of flavors, catering to all dietary preferences while promoting sustainability. Our onsite garden allows students to understand the journey from farm to plate, fostering an appreciation for ecology. Open from 7:30 am to 4:00 pm, we provide delicious meals that suit everyone's schedule. Join us as we embrace the motto: Eat Well, Learn Well, and Be Well - Together at Our Canteen!
