

Sole Source Letter

To Whom It May Concern:

Wilson Language Training Corporation is the sole source of the Wilson Reading System[®], Wilson Foundations[®], Wilson Fluency[®] and Wilson Just Words[®] component materials. Wilson Language Training Corporation has two other product distributors that distribute a very limited amount of Wilson Reading System kits and sets. The product distributors do not supply component materials.

No other source exists for Wilson Reading System, Foundations, Wilson Fluency, and Wilson Just Words materials because Wilson Language Training Corporation or Barbara A. Wilson, its principal, owns and has not licensed the copyright of the materials.

Wilson Reading System[®], Wilson Foundations[®], Wilson Fluency[®], and Wilson Just Words[®] are trademarked terms. Professional Development in the use of these products would require a trademark license from Wilson Language Training Corporation. Therefore, there is no other source for Wilson Professional Development except through Wilson Language Training Corporation or an affiliate organization.
