

Hayden Elementary School Continuous Improvement Plan 2022-2025

Vision

We are passionate about fostering a love of learning in students who will create a better world.

Mission

Love. Learn. Lead

Beliefs

- Teachers must be compassionate and passionate toward all students to inspire success.
- Learning is a lifelong endeavor that happens in a variety of settings.
- Teachers have a responsibility to give their best to each child and help them discover their own self-worth.
- Students are unique individuals with varying interests and talents that require diverse instructional approaches.

Academic Support

Student Advocacy

Teacher Development

Objectives

- Engage students in authentic learning experiences to improve academic achievement
