

Elementary and Middle School Parent Teacher Association

The PTA welcomes you to ELGS. The PTA comes together to support our teachers and our families. We raise funds annually and plan family gatherings to strengthen our school and community. Among other events, the funds provide:

- Classroom Dollars for teachers
- Early Riser Readers events
- Library events & field trips
- After-school science programming: Elementastics
- Scholarship for a deserving senior who is pursuing the field of education

There are also items we have provided to make school a little more special for everyone:

- School planners
- Teacher dinners during conferences
- Career Day speakers
- End of year ice cream truck surprise

We are grateful for the participation we have in our community. There are phenomenal volunteer teams of teachers, staff and parents who put together the programming and events, high school students who give their talents and support with extra hands, and the young ones who soak in all we can give them. We have amazing partnerships with our local businesses as well, supporting by way of donations and service.

Due to the success we have had with the UNfundraiser we want to continue to provide an option for families to support when they may not have the time, energy, or just want to keep financial contributions simple. While we are not eliminating the mouth-watering cookies, kringles, flower sale, or family fun nights from the usual repertoire, the UNfundraiser saves you time and energy. Simply make out a check to ELG PTA in any amount you wish to contribute and drop it off to the school office. *501c3 donation receipts available.*

Our target to *fully support ELGS* is to raise \$200 per child throughout all our events. **Please review and complete the form on the reverse and return it to the school with your registration**, at the Sneak Peek, or just drop it in the school office PTA box.

We would love to have you join us for monthly meetings as an informal way to meet other families in the school. In addition, throughout the year we need help in various areas from planning to party execution, maybe even cookie baking, grocery running, delivery prep, or wrap-up crew. We'd love to count on you in the way you feel comfortable contributing. Please let us know how you or others in your network would like to be involved by sending a note to ELGPTA2020@gmail.com. Find us on Facebook at <https://www.facebook.com/elkhartlakeglenbeulahpta>.
