Enclosed please find the 2020 Mercantile Tax Return packet. The return is filed according to the gross receipts/income reported on 2019 Federal or State Income Tax Returns. The filing deadline for the 2020 return is **September 30, 2020**. The Wilson Area School District is the collector for the Mercantile Tax (Business Gross Receipts Tax) for businesses and or rental properties that generate revenue and are located in Glendon Borough, West Easton Borough and Williams Township. Any revenues generated from businesses and or rental properties located in Wilson Borough should be reported to Wilson Borough who collects the Mercantile Tax (Business Privilege and Mercantile Tax Return) for their municipality.

Please be sure to report the **gross receipts/income** (before expenses are deducted) and **attach** a copy of the applicable Federal or State Income Tax Form or Schedule reporting gross receipts/income as described in the enclosed instructions. Any businesses and/or rentals that have gone out of business, or had zero receipts or have been sold during the year 2019 must still file a final return reporting this information with documents to support the reason.
