

A NOTE FROM THE COUNSELING CENTER

Trailside Elementary Parents and Guardians. Below you will find the services offered in the counseling center. If you would like to request a service please check the service/services that you may be interested in having your child or children participate in and return to the counseling center. I will reach out to you and discuss the services that you are interested in having me provide for your child/children. Any service you are interested in receiving for your child will include a permission/consent form that will go home with your child. You will need to sign the permission form and return it to me. I will never provide counseling services without your permission. If a student is sent to my office for a friendship concern or any other problem, I will contact you and share the conversation that I had with your child. Not all interactions warrant a phone call. At any time you have a concern or question, please call or email us.
