PROGRAM HIGHLIGHTS

FORMATION

Formation is the intentional, systematic direction of the complete student experience toward a development of the whole, unique person – body and soul. The entire process is centered on one insistent question: "Who are you?"

ATHLETICS

Servite offers 13 CIF team sports in the Trinity League and 3 club sports. Servite's competitive programs have resulted in college scholarships to Division I, II, III, and NAIA schools.

PRIORY LEADERSHIP

This unique leadership program incorporates the entire school through 2x-monthly class periods in the middle of the school day where students lead their classmates through various competitions, activities, and life-skill lessons. The curriculum is designed to highlight the different gifts of our student body and provide a laboratory for an enhanced understanding of the Formation Themes.
