2023-24 School Year

Low cost student accident coverage Optional coverage for students at low rates

Dear Parent or Guardian:

For your convenience the School District has again arranged for you to purchase student accident insurance for your child at a very low premium. Below is a link from the insurance provider, K&K Insurance Group. If your current health coverage consists of high deductibles and/or copayments, this coverage could be very valuable to you.

The website in the link below outlines the benefits offered by the plan, which provides a \$25,000 maximum benefit per student injury. There are low option and high option choices. Coverage for both options is available on a school time only basis or on a 24-Hour basis as described in the brochure.

If you are interested in learning more about this comprehensive coverage, it is available online at www.studentinsurance-kk.com

You can read a complete description of the coverage and purchase it online. The site should be available in August.

Rates:	Low Option	High Option
School time only	\$ 30.00	\$ 38.00
24-Hour year-round	112.00	165.00
24-Hour summer only	39.00	51.00

This is voluntary coverage, excluding Interscholastic Athletics. If you have any questions concerning the policy, application form, or claims process, please contact Robert McIntyre Insurance at 610-710-4380.

Sincerely,

Victor Orlando
Business Manager
