

COLLEGE IN HIGH SCHOOL OPTIONS

Did you know you can earn college credit while in high school?

There are a variety of ways to earn college credit while in high school attending Longview Public Schools. Passing these classes can **also** allow students to meet graduation Exit Criteria requirements. Review the options for college credit listed below and see your high school counselor for more information or if you have additional questions.

AP

*Advanced Placement Courses (AP)

Advanced Placement (AP) courses are taught with college-level curriculum and examinations. College credit may be earned by passing the end-of-year AP test for each class. Passing with a C+ or better also counts as graduation exit criteria.

Advanced Placement Courses in Longview include:

- AP Biology
- AP Chemistry
- AP World History
- AP US History
- AP Statistics
- AP Computer Science Principles
- AP Literature and Composition
- AP Psychology
- AP Spanish

*CTE Dual Credit

CTE Dual Credit is like Running Start in reverse. It allows students to earn free college credit and remain in high school. Students will earn 5 college credits for each .5 semester class where they earn a B or better. Courses that qualify will have the Dual Credit logo in their description.

*College in the High School courses (CWU or EWU)

Courses with college-level curriculum and assessments for high school students. With successful completion of courses, students will earn college credit in addition to their high school credits. These courses also count towards exit criteria.

Running Start

Students may be eligible for participation in Running Start classes at Lower Columbia College (LCC). Please talk with your counselor or LCC if you are interested.

*Eligible courses will be identified by the corresponding image throughout the handbook.

NCAA

NCAA schools require college-bound student athletes to build a foundation of high school courses to prepare them for the academic expectations in college.
(Courses marked with the NCAA logo denote eligible courses.)
